GTCC allows a student to request a preferred name that will appear on college technologies which do not require a legal name (Titan e-mail/Canvas). Once a preferred name form is submitted, please allow two to three business days for changes to appear.

Note: GTCC is unable to display a preferred name on instructor class rosters and grading rosters. Instructors will be notified via e-mail of student preferred name requests.

Directions: Submit to the Records Office located in Medlin Campus Center, Suite 3501, Jamestown Campus, or scan and submit directly to records@gtcc.edu with photo ID. Please submit 2 weeks prior to the start of Semester.

Please read and sign: Please change records to reflect my preferred name. I understand that some official records, such as the college transcript and financial aid, must continue to use my legal name.
