

SOAR

(Student **O**rientation, **A**dvising, **R**egistration)

Welcome to the GTCC **SOAR** page!

*All new students should attend a Student Orientation, Advising, Registration session (SOAR). New students for Fall and Spring semesters will be advised and registered at **SOAR**.*

SOAR is a 4 hour session during which new students will:

- Gain general information about the college and resources available
- Obtain academic information needed to be successful
- Be advised by faculty/staff and registered for classes

SOAR sessions are offered **twice** a year:

- June – August **for Fall registration** (sign up beginning May 1st); and
- December **for Spring registration** (sign up beginning November 1st)
- **SOAR** sessions are not offered for Summer Term* (all new Summer Term students register on Open Registration day)

Look for the active sign-up link (**SOAR** banner) according to the dates above, at www.gtcc.edu.

Reminders:

- **SOAR** sessions **are not** held for Summer term registration
- New students attending ***Summer term** will register on “**Open Registration Day**” (see “Open Registration” dates <http://www.gtcc.edu/media/academics/index.html> under #5. Registration)
- **SOAR** allows new students to register early and avoid long registration lines.
