

Student Health Insurance

Health insurance is available to students during their time of enrollment at reasonable prices. Guilford Technical Community College does not endorse any student health plan. Students who wish to purchase health insurance may contact the companies directly and purchase insurance at your own risk. The links below will take you to the websites of companies that offer student health insurance:

North Carolina Community College Student Health Plan underwritten by Cigna Healthcare
www.N4Health.com

American College Student Association – affiliated with UnitedHealthcare
www.acsa.com
