Name:	
Curriculum Program:	
Address:	
Phone Numbers:	
E-mail:	

Note: For a group, attach a sheet including this information for each student participating in the presentation/exhibit.

Name of Faculty Sponsor:	
Title of Presentation/ Exhibit:	
Which format best suits your work: Presentation or Exhibit?	

1. For use in our publicity, write a two sentence description of your presentation or exhibit:

2. Describe your project or paper in more detail:

3. To what curriculum course at GTCC is this presentation most directly related?

4. If this paper or project was first completed as an assignment for a course, briefly explain the assignment. If you have revised or expanded your paper or project since submitting it in a course, explain the changes you have made.

5. If the paper or project was not completed as a class assignment, explain why you undertook it.

6. How will your presentation or exhibit be relevant or interesting to a campus-wide audience?

7. If your presentation or exhibit is selected:

Time preference: early morning or late morning	
Space or equipment needs	
Software needed and version	

Please attach any material that will give the judges a clearer idea of you project or presentation (for example, a copy of the completed paper, photographs, drawings, DVD, etc.)
