

FRIENDS OF THE LIBRARY

SPRING 2005 PROGRAMS

Part of the Friends of the Library mission is "to foster the pleasure of reading." To do this, the Friends will host two book clubs, one in traditional format and one on-line. The "face to face" book club will meet two or three times a semester in the Parlor at the Koury Hospitality Careers Building to discuss the chosen "read." The on-line club will convene sporadically, discussing a chosen book by using the Blackboard course delivery.
