

Pharmacy Technology

Fall 2010 Admissions Information

***** Priority Review Deadline May 27, 2010 *****

***** Rolling Admission After May 28, 2010 *****

Pharmacy Technology is a limited enrollment program that begins each fall semester. Applicants must meet minimum requirements and specific deadlines to be considered for admission. Thirty students are admitted into the Pharmacy Technology program. **Please note that meeting minimum requirements does not guarantee admission .**

Applicants who meet the minimum requirements must meet with an admissions advisor for completion of a Pharmacy Technology Minimum Admissions Requirements (MAR) review. Once the class has filled, an alternate list of students will be compiled. An alternate will be admitted to the program when an admitted student declines admission. Applicants denied admission must re-apply and complete a new MAR review if they wish to be considered for the Fall 2011 program.

APPLICATION PROCESS:

- ___ 1. Submit the GTCC Application.
- ___ 2. Take the GTCC placement test, if required by the Admissions Office.
- ___ 3. Submit official high school transcript or GED scores to Enrollment Services.
(Official transcripts are sealed in an envelope with the school's seal or original signature).
- ___ 4. Submit official transcripts from all colleges or schools attended since high school to Enrollment Services. These will be reviewed for possible transfer credit.

THIS PROCESS COMPLETES THE ADMISSIONS FILE.
IT IS UP TO YOU TO MAKE SURE YOUR FILE IS COMPLETE.

MINIMUM ADMISSIONS REQUIREMENTS

Important: *A person is not eligible to sit for the Pharmacy Technician Certification Exam (PTCE) if convicted of a felony that occurred within the last five years and/or if the conviction was drug or pharmacy-related.*

Upon admission, students will be required to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General). Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. Students with positive checks and/or screenings will be denied clinical experience in the healthcare agency. If a student is denied agency access, there will be no placement at an alternate site, and the subsequent inability of the student to complete their clinical education will result in their inability to continue in the health science program.
