

### **III-2.020 Dress Code**

Students will dress in a manner, which observes health and safety regulations and is appropriate to their courses/instructional programs.

#### Procedure:

1. Faculty will inform students in writing of special dress requirements for any particular course or program.
2. In cases where a student's dress or hygiene fails to adhere to published requirements or interferes with the teaching-learning process, the instructor will discuss the problem with the student.
3. Continued failure by the student to adhere to these requirements may result in referral to the campus Disciplinary Officer for possible disciplinary action under the Student Conduct Procedures (III-2.010).
