**AUTOMOTIVE OPEN HOUSE  
AVAILABLE FREE AT GTCC**

JAMESTOWN – An automotive open house will be open to the public free of charge on the first Thursday of each month at Guilford Technical Community College’s Jamestown campus. The events will be from 5 p.m. until 8 p.m., with the first one taking place Sept. 3.

Parking will be available in lot “J” across from the Ragsdale YMCA, and there will be directions to the automotive center.

Other open houses scheduled are on Oct. 1, Nov. 5 and Dec. 3.

The sessions are being offered by the college’s Ford Automotive Student Service Education Training (ASSET) and the GM Automotive Service Education Program (ASEP) departments.

Instructors will be available to explain opportunities available in training in one of these programs.

Different topics will be discussed at the meetings each month.

Students, prospective students, instructors, counselors and parents are encouraged to attend the sessions and learn about the two respective programs available from these two leaders in the automotive industry, according to Josh Gilbert, GM ASEP coordinator.
