Here's a list of 3 ways that you can get to Moodle

1. Access Moodle directly from the homepage (www.gtcc.edu)

2. Access Moodle from within My GTCC portal

3. Access Moodle by entering its web address (online.gtcc.edu)

Access Moodle from the Homepage

To access Moodle from GTCC's home page you'll need to

1. Find the URL bar, type in gtcc.edu and press enter. The screenshot below is similar to what you will see.

2. Locate and hover over the MyGTCC link in the upper right half of the banner. A drop down menu will appear.
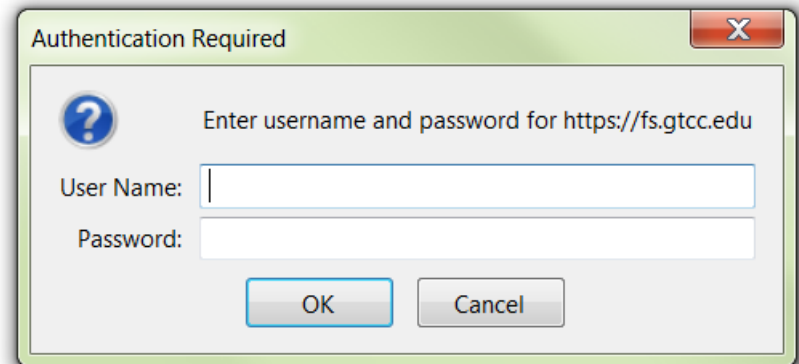

3. Click on the Moodle link.

Using the second method you will actually log into MyGTCC and then access Moodle.

1. In the URL bar, type in gtcc.edu and press enter. The screenshot below is similar to what you will see.

2. Locate and click on the MyGTCC link in the upper right half of the banner.

The sign-in block will appear.

1. Enter your user name and password.

2. Click the OK button.

Note: Depending upon the browser being used the dialogue box may differ slightly different from this example.

Notice that once you've signed in your name will appear in the upper right section of the title bar.

Where can I find Moodle?
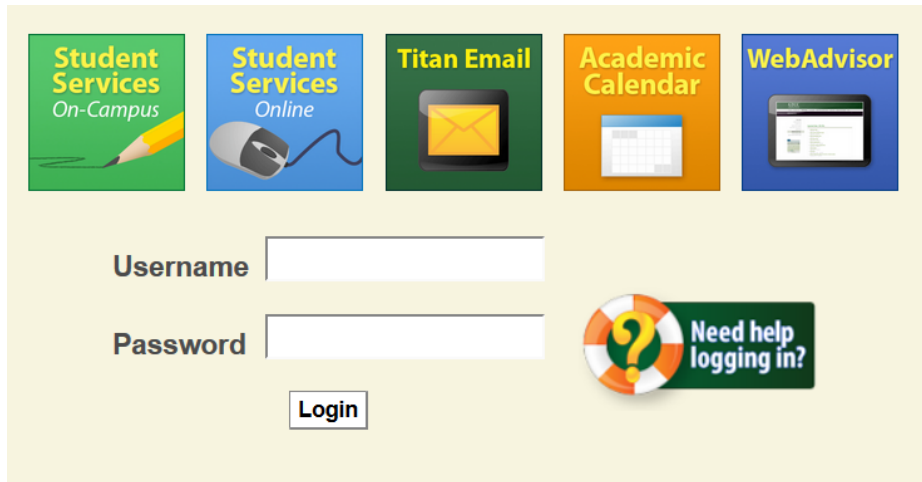

GTCC GUILFORD TECHNICAL COMMUNITY COLLEGE

Now that you've logged into MyGTCC, scroll past the announcement section and you'll see the Quick Links section.

Moodle can be found here.

FYI - WebAdvisor has its own section and is located to the left of Quick Links.

You can use the WebAdvisor menu

Access Moodle by Entering Web Address

An alternate way of reaching Moodle is to type its web address (**online.gtcc.edu**) into a URL line and press Enter.

Now you'll see the more familiar Moodle sign-in page with its ready access to WebAdvisor, and Titan Email with other GTCC apps.
