

## How to install Mozilla Firefox

1. Open Internet Explorer
2. Go to <http://www.firefox.com>
3. Click on the green Firefox free download button.

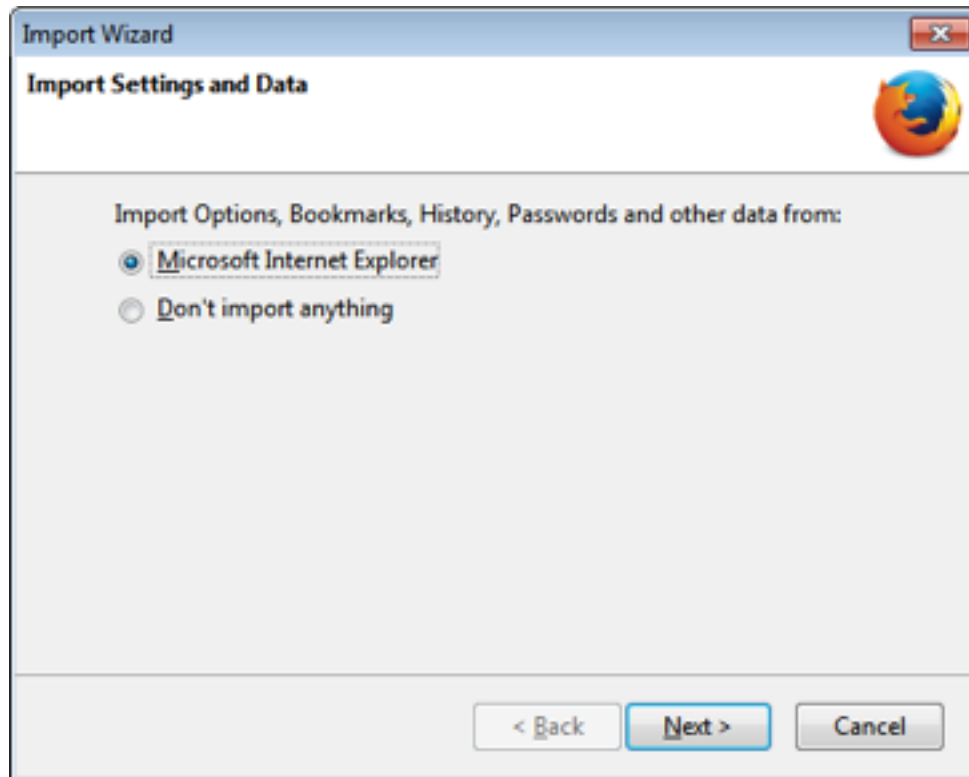

4. This will prompt a download to begin. Click **Run** to start the download.

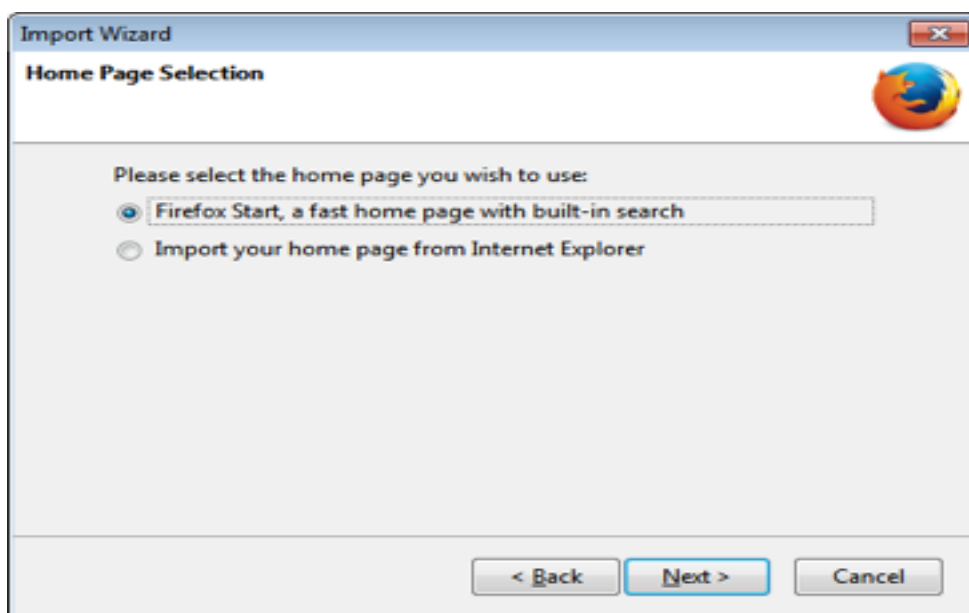

5. The Firefox setup window will appear on the screen. Click **Install** to continue.

6. Once the download and install has completed, the import wizard window will appear. Click **Next**, this will import any bookmarks from Internet Explorer.

8. At the Home Page Selection window, click **Next**.

9. The installation is now complete, click **Finish**
10. Firefox will open up and now you can begin browsing the web.
