

FEDERAL STAFFORD LOAN REQUEST FORM – SUMMER ONLY

Directions: Complete *BOTH* steps below if you are a new loan borrower at GTCC before submitting page 2 of this form to the GTCC Financial Aid Office. Please note that it may take up to 48 hours for GTCC to receive confirmation that Steps 1-2 have been completed. **NOTE:** Do not use this form if a summer loan has been awarded; please use selfservice.gtcc.edu to accept a pending loan.

- **Step 1: Complete Online Entrance Counseling at www.studentloans.gov**
- **Step 2: Complete Your Electronic Master Promissory Note (eMPN) at www.studentloans.gov**
 - If you do not wish to submit your eMPN online, you may print a paper MPN and mail it to Department of Education, 100 Capitol Commerce Blvd, Montgomery, AL 36117. However, this may increase the length of time it takes to process your loans.

Important information about your summer loan

- *You must be making satisfactory academic progress.*

- *Your lender will deduct an origination fee from each disbursement.*

Know before you owe

Federal Stafford Loans are debts that must be repaid; they cannot be discharged through bankruptcy and your future income tax refunds or wages can be garnished if you default. You must pay back the loan even if you do not complete your program or are unhappy with your education experience. Different repayment options are offered that may help if you are going through a difficult financial period. Borrow conservatively! How do you decide what the right loan amount might be? Try the free CFNC Smart Calculator at www.tinyurl.com/CFNCcalc .

\$40,000	120	\$444	\$66,612
\$50,000	120	\$555	\$83,265

Note on the chart that the monthly payment on \$25,000 worth of student loan debt is just about the same as a car payment...if you live large while you are in school, you will likely live small when you leave!
