Follow these Important Deadlines to Make Sure You Are On-Track to Apply!

You Should have the GTCC Admission Process Completed, Official Transcripts Submitted, and Titan Account Activated No Later Than: **September 25, 2020**

You MUST Complete the Required Online Program Information Session and Score 100% on the Quiz.

Online Program Info Session will be available in GTCC’s Moodle site after: **June 5, 2020**

Must have activated your GTCC Titan Account to enroll in the session via Moodle!

Search for “Health Programs Information Sessions” and self-enroll.

Complete the Online Program Info Session & Quiz No Later Than: **September 27, 2020** by 11:55pm

Access to the Session will be removed after this date/time!

- Complete the GTCC Admission/Readmission Process (new and former GTCC students). This includes completing the NC Residence Determination process and submitting official transcripts. You should also activate your GTCC Titan Account approximately 24-48 hours after submitting your Application.

- Complete a REQUIRED online Program Information Session by **September 27, 2020**. Sessions completed for previous admission cycles are not acceptable.

- Demonstrate English and mathematics "college readiness" levels, via credit for college-level courses, transition courses, placement test scores, or waiver credits. *(Please see page 4 of this packet for more information.)*

- Demonstrate BIOLOGY competency by one of two ways:
  - College-level BIO/lab course with a “C” or better, completed within ten years of the program start date (since 2011);
  - High school BIO/lab course with a “C” or better, completed since the 2016-2017 school year

- **REVISED FOR THIS ADMISSION CYCLE ONLY!** You must meet ONE of the following:
  - Have completed the Nurse Aide I course and are waiting to take your certification examination. Registry listing must be achieved by **November 30, 2020**.
  
  OR

  - Have a current Nurse Aide I listing on the NC Nurse Aide Registry with no substantiated findings.

- Complete the ATI TEAS and achieve a minimum composite score of **62**. Your ATI TEAS scores must be no older than two years from the date you submit your Health Sciences Program Application.

- If you are transferring in credits, review your GTCC WebAdvisor Transcript to make sure they appear **PRIOR TO** submitting your Health Sciences Program Application!

- If you have completed all of these requirements, submit a Health Sciences Program Application packet to the Limited Entry Programs Office, located in the Hassell Health Technologies Center, Room 140 (Jamestown Campus) between September 21 and 5pm on October 9, 2020.

Created June 2, 2020
NEW! PRACTICAL NURSING PROGRAM CURRICULUM OUTLINE

Students will complete the 3-semester program, earn their Practical Nursing Diploma in December 2021, and sit for the NCLEX-PN licensure examination. Students who pass the NCLEX-PN will become Licensed Practical Nurses and may begin work.

*BIO 163 must have been completed with a “C” or better within ten years of the program start date (since 2011). Students who completed the BIO 168/BIO 169 sequence within ten years of the program start date (since 2011) and earned a “C” or better may receive substitute credit for BIO 163.

Considering applying to the LPN to Associate Degree “Bridge” program in the future?

Some students who graduate from a Practical Nursing program and earn their LPN licensure decide to apply to GTCC’s LPN to Associate Degree Nursing “bridge” program.

If you are planning to pursue this option, you should consider taking the BIO 168/BIO 169 sequence, rather than BIO 163, as those are the courses required to apply for the “bridge” program.

You should also plan to take PSY 241 after you complete PSY 150.

Lobby/study area outside the GTCC Nursing Programs Office, located on the 2nd floor of Hassell Health Technologies Center, Jamestown Campus.
Limited Entry Admission Process – GTCC Health Sciences Programs

☐ Complete the GTCC Admission Process (new applicants/former GTCC students).

Activate your GTCC Titan Account (for email and access to Moodle and WebAdvisor).

Ideally, you should complete this process no later than September 25, 2020, in order to have time to activate your GTCC Titan Account, have transfer credits evaluated, and complete the remaining tasks required for the program admission process.

PLEASE ALLOW A MINIMUM OF TWO WEEKS FOR EVALUATION TO OCCUR – this process takes longer near the beginning or end of the semester! Transfer credits from regionally-accredited colleges/universities must appear on your GTCC WebAdvisor transcript in order to be considered for meeting minimum requirements or earning ranking points.

- Complete the GTCC admission process, including the North Carolina Residency Determination Service (RDS) process. To get started, visit https://www.gtcc.edu/admissions-and-aid/apply-now.php
- Submit your official transcripts. Once received, transcripts are evaluated by GTCC’s Enrollment Services staff. Approved transfer credits will be added to your academic record as appropriate.

☐ Complete a required online Program Information Session by September 27, 2020.

Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement! This session will provide you with a detailed overview of the curriculum, the minimum program admission requirements, faculty expectations and discussion of class schedules and clinical requirements, preparing and submitting your Health Programs Application packet, and the selection and notification process for the incoming class. If you plan to take the ATI TEAS at GTCC, do not schedule a test date that falls before the date you plan to complete this session!

ACCESSING THE ONLINE SESSION (available after June 5, 2020)

The ONLINE Program Information Session is Available for:

- Currently enrolled GTCC students with activated Titan Accounts;
- New /Former GTCC students who have submitted a GTCC Application for Admission and activated their Titan Accounts. Make sure you’ve completed the GTCC Admission process in plenty of time to activate your account so you can complete this task by September 27, 2020, at 11:55pm!

1. Go to online.gtcc.edu and login using your GTCC Titan account information.
2. Go to the bottom of the “My Courses” page and use the search field to find “Health Programs Information Sessions”.
   Here is the direct link to the session:
   https://online.gtcc.edu/course/view.php?id=35937
3. Enroll yourself in this course and complete the Spring 2021 Practical Nursing Diploma module and quiz. You must pass the quiz with a score of 100% to receive credit for completing this task.

If you have difficulty activating your GTCC Titan Account, please visit https://myaccount.gtcc.edu/PasswordReset to complete the activation process.
You must meet ALL of the following minimum program admission requirements by the date you plan to submit your Health Programs Application packet. Remember – the last date to submit your Health Programs Application packet is Friday, October 9, 2020, by 5pm!

**Demonstrate English and mathematics “College Readiness” levels.**

All Health Program applicants are required to demonstrate English and Mathematics college-readiness.

Although no mathematics course is required for the Practical Nursing Diploma, by the date you submit your Health Programs Application, you must be able to demonstrate that you have achieved the appropriate readiness levels in both areas by one of the following methods:

**English Readiness**

- No ENG credits, but have an earned Associate or Bachelor’s degree from a regionally-accredited institution
- Documented completion of ENG 111, with a minimum grade of “C”
- Eligible to enroll in ENG 111 without the ENG 011 co-requisite, demonstrated by one of the following:
  - Graduate of a US high school within the last 10 years, with a GPA of 2.8 or higher
  - Completion of placement test within the past 10 years and achievement of appropriate scores.

  If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions.

**Mathematics Readiness**

- NO MAT credits, but have an earned Associate or Bachelor’s degree from a regionally-accredited institution
- Documented completion of MAT 143 or higher-level course with a minimum grade of “C”
- Eligible to enroll in MAT 143, MAT 152, or MAT 171 without the corresponding co-requisite, demonstrated by one of the following:
  - Graduate of a US high school within the last 10 years, with a GPA of 2.8 or higher
  - Completion of placement test within the past 10 years and achievement of appropriate scores.

  If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions.

If you are unsure whether you meet either of these requirements, it is YOUR responsibility to speak with a counselor in the GTCC Admissions Office or the Student Success Center for clarification, PRIOR TO submitting your Health Sciences Program Application.

**Demonstrate Biology competency. There are two ways to do this.**

- College-level BIO/lab course with a “C” or better, completed within 10 years of program start date—(since 2011)
- High school-level BIO/lab course with a “C” or better, completed since the 2016-2017 school year

**REVISED FOR THIS ADMISSION CYCLE ONLY! You must meet one of the following:**

- Have completed the Nurse Aide I course and are waiting to take your certification examination. Listing on the NC Nurse Aide Registry must be achieved by November 30, 2020 (must attach a copy of your course’s Certificate of Completion to your Program Application).

  **OR**

- Have a current Nurse Aide I listing on the NC Nurse Aide Registry (must attach a copy of your NC Nurse Aide Registry verification page to your Program Application).

**Complete the ATI TEAS and achieve a minimum composite score of 62.** You may schedule your ATI TEAS test through the GTCC Assessment Center or via an ATI-approved testing center. Your ATI TEAS scores must be no older than two years from the date you submit your Health Sciences Program Application. If you wish to take the test at GTCC, visit [https://www2.registerblast.com/gtcc/Exam/List](https://www2.registerblast.com/gtcc/Exam/List) to schedule your test date. If you have specific questions related to scheduling your ATI TEAS at GTCC, please contact the Assessment Center at testingcenter@gtcc.edu or call them at (336) 334-4822, ext. 50574.
Review your GTCC WebAdvisor Transcript to make sure all credits (GTCC and transfer!) appear PRIOR TO submitting your Health Sciences Program Application!

Once You Have Completed ALL of the Steps Listed, You Are Now Ready to Submit Your Health Sciences Program Application to the Limited Entry Programs Office.

Health Program Applications for this Program will be accepted by the Limited Entry Programs Office from September 21 through 5pm on October 9, 2020.

Gathering Materials and Preparing Your Health Sciences Program Application.

Now that you have completed all of the minimum admission requirements, gather all of the required documents, attach them to the Health Sciences Program Application, and submit the packet to the Limited Entry Programs Office, located in Hassell Health Technologies Center, Room 140 on the Jamestown campus. Application packets received after the deadline will not be accepted.

- Complete the Health Sciences Program Application in its entirety.
- Log on to your GTCC WebAdvisor account and select “Unofficial Transcript View” from the menu. Verify that all transcripts have been received and evaluated for transfer credit by GTCC before attaching a copy of your WebAdvisor transcript! The Selection Committee will only use the courses listed on this transcript to verify minimum requirements and award ranking points.
- Attach a copy of your NC Nurse Aide Registry verification page or Certificate of Completion for your Nursing Assistant Course.
- Attach a copy of your ATI TEAS score report.
- If applicable, attach documentation of other ranking criteria (see page 8 for items that are acceptable to submit).

Have Questions? Need Help?

✔ Completing the GTCC admission process (application for admission, NC residence determination):
  Please contact GTCC’s Admissions Office at (336) 334-4822, ext. 31125, or send an email to: admissions@gtcc.edu.

✔ Checking the status of your admission application: Visit: https://applicationstatus.gtcc.edu/

✔ Submitting your transcripts: Contact the Records and Transcripts Office at (336) 334-4822, ext. 50354 or 50161, or send an email to transcripts@gtcc.edu.

✔ Checking the status of the transcripts you have submitted to GTCC: Visit: https://transcripts.gtcc.edu/

The Program Applicant Review and Selection Process

Ranking Process

During the next 3-4 weeks after the Program Application Deadline, the Health Sciences Review Committee, comprised of various Health Sciences Program Directors and faculty, the Dean of Health Sciences, and the Limited Entry Programs Office Staff, will review all applications submitted by the deadline.

Applicants are ranked using a points system, and candidates will be selected, based on the total points earned. Ties will be decided, based on the following system: 1) The applicant with the higher total points earned in the “General Education Courses” ranking section; 2) The applicant with the higher TEAS composite score (if applicable); and 3) The date that the GTCC Admission Application was submitted for the program of interest.
**NEW! Advanced Placement (AP) Credit and award of ranking points:** applicants who earned AP credit for general education courses may earn corresponding ranking points, via the following method:

- AP score of 5 = grade of “A”
- AP score of 4 = grade of “B”
- AP score of 3 = grade of “C”

Official AP scores must have been submitted to the GTCC Admissions Office to earn AP course credit. The course credits must also appear on your GTCC WebAdvisor transcript that is submitted with your program application. Advanced Placement credits for BIO and CHM courses must have been awarded within ten years of the program’s start date (since 2011).

**Notification Process**

Each candidate who submits a Health Sciences Program Application to the Limited Entry Programs Office by 5pm on the specified deadline will be notified in writing of the results of the selection process. Notification will be sent electronically to the applicant’s GTCC email address – it is the applicant’s responsibility to check this email account frequently to avoid missing important communications from GTCC!

**Students must accept or decline a program position by submitting an Intent to Enroll Form within 10 business days of the date on the acceptance letter.** Failure to respond within the stated timeframe will result in the position being offered to an alternate. Once a student declines a program position, the decision may not be reversed.

**A student has 15 business days from the date on the notification letter to contest the results of the selection process.** The request for review of the results must be submitted in writing to the Division Dean. The Division Dean will render a decision within 10 business days of receipt of the written request. The Division Dean’s decision is final.

### Important Tasks and Deadlines to Remember

<table>
<thead>
<tr>
<th>Date</th>
<th>Task</th>
</tr>
</thead>
<tbody>
<tr>
<td>Friday, October 9, 2020 by 5pm</td>
<td>Spring 2021 Program Application Deadline</td>
</tr>
<tr>
<td>Week of October 26, 2020</td>
<td>Selection Committee completes review of applications. Admission status letters sent to all applicants via GTCC email. <strong>PLEASE CHECK YOUR EMAIL OFTEN!</strong></td>
</tr>
</tbody>
</table>

### Program Orientation, Advising/Registration, and Enrollment

Once a position in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program. An alternate student will be selected to fill the vacant position, as directed by the Program Director.

**Effective Spring 2021 Entry Only – if the student has not achieved a current listing on the NC Nurse Aide Registry by November 30, 2020, he/she will be removed from the health program, and an alternate will be selected to fill the vacant position, as directed by the Program Director.**

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry. If applicable to the program, ranking point deductions will apply for future applications to the same program.

*The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.*
Important Notes to Health Science Program Applicants

Program faculty reserve the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, the students agrees to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the students may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of “D” in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of “D” in a general education course will not transfer to another institution, nor will GTCC accept a grade of “D” for credit from another institution. Students who do not achieve a “C” or better in these courses will be suspended from the program.

(From the Nursing Handbook) Nursing Students who make a grade of “D” or “F” in courses with a prefix of NUR or BIO will be suspended from the nursing program. Nursing students who do not meet a benchmark in a course will receive a “D” in the course.

If You Have Questions about the Health Sciences Limited Entry Admission Process, Please Contact:
Limited Entry Programs Office
140 Hassell Health Technologies Center, Room 140 • Jamestown Campus; (336) 334-4822, ext. 50439; limitedentry@gtcc.edu

CALCULATION OF POINTS FOR RANKING AND SELECTION

This calculation sheet is for your use in keeping track of what courses you have completed. It does not need to be attached to your Application.

| General Education Courses Required to Complete the Practical Nursing Program |
|---------------------------------|----------------|----------------|----------------|
| The following courses are part of the diploma, and you may wish to complete them prior to program admission to earn additional ranking points and lighten your academic load, once accepted to the program. |

Points Earned for This Section:
Please be advised that the spring 2021 admission cycle will be the LAST cycle that the minimum ATI TEAS score of 62 is acceptable for purposes of meeting the program’s minimum admission requirements.

It will increase to 66 for all nursing programs, effective with the summer 2021 admission cycle.

APPLICANT INFORMATION

Please PRINT OR TYPE the information below. It is the applicant’s responsibility to notify GTCC IN ADVANCE OF SUBMITTING THIS APPLICATION of any name, address, or telephone changes.

Name ____________________________________________ GTCC Student ID Number (not SSN)

Address ____________________________________________

Telephone ____________________________________________

GTCC Email Address __________________________ Alternate Email __________________

Have you previously been accepted to and enrolled in the Practical Nursing program at GTCC?  ☐ YES ☐ NO

Health Sciences Program Application Checklist

☐ I completed the mandatory ONLINE Spring 2021 Practical Nursing Program Information Session.

☐ I have attached a copy of my GTCC Unofficial WebAdvisor Transcript. I understand that my final grades, including all applicable transfer credits, must be posted to my GTCC transcript at the time I submit my Program Application.

☐ I have attached the following documentation to demonstrate completion of the following program-specific admission criteria:

  ☐ ATI TEAS Score Report
  ☐ Current NC Nurse Aide Registry Verification Page OR Certificate of Completion of Nursing Assistant Course

☐ Documentation of Other Ranking Criteria.

  ☐ Completion of College-Level Program: I understand that my official transcript MUST be on file in the GTCC Admissions Office and MUST show the date the program was completed and type of credential earned. If my transcript is not on file and cannot be verified, I understand that the Selection Committee will not award ranking points for this item.

    Name of Institution ____________________________ Credential Awarded ____________________________ Year Awarded ______

  ☐ 2019 and 2020 high school graduates only - Completion of High School Career/Technical Education Program Concentration in Health Sciences (4 courses): I understand that my official transcript MUST be on file in the GTCC Admissions Office and MUST show the courses completed. If my transcript is not on file and cannot be verified, I understand that the Selection Committee will not award ranking points for this item.

    Name of High School ____________________________ Year Graduated ______

  ☐ Current Certifications/Licensure (can submit up to two): I understand that if I wish to earn ranking points for this category, a copy of the certification/licensure MUST be attached to this document. I understand that the Selection Committee will not award ranking points for this item.

    Certification 1 ____________________________ Issue Date ______ Exp. Date ______ Certification 2 ____________________________ Issue Date ______ Exp. Date ______

Applicant Signature: I understand that ALL required documentation must be attached to the Health Sciences Program Application at the time it is submitted. Once I submit my application, nothing may be added to or removed from my file.

_____________________________ Signature of Applicant ________________ Date ________________
