The Dental Hygiene program has a selective admissions process. A maximum of 32 applicants are accepted each fall. This packet will outline minimum criteria, program coursework, and the application/selection process. Before applying, it is recommended to review the Technical Standards and Essential Functions required for the program. Reading these standards carefully along with a realistic assessment of your own personality, interests, abilities, strengths, and weaknesses will ensure that you choose a program and career path that is a good fit for you. **Please read the contents of this packet carefully and in its entirety as some requirements are time-sensitive.**

**PROGRAM ADMISSION REQUIREMENTS**

✓ Complete the GTCC General Admission/Readmission Process (new and returning students).
  o Students currently enrolled at GTCC do not need to complete a new application for admission. These students will begin with the remaining steps and make sure the NC Residency is current.
  o See page 3 for details on this requirement.
  o **It is highly recommended to have this step completed by February 25th.**

✓ Complete the REQUIRED online Program Information Session by March 4th.
  o See page 3 for instructions for accessing the session.
  o **Sessions completed for previous admission cycles are NOT acceptable.**

✓ Demonstrate “college readiness“ for English and mathematics.
  o See pages 3-4 to view options for meeting this requirement.

✓ Demonstrate BIOLOGY competency
  o See page 4 to view options for meeting this requirement.

✓ Demonstrate CHEMISTRY competency.
  o See page 4 for information on this requirement.

✓ Complete the ATI TEAS and achieve a minimum composite score of 66.
  o ATI TEAS scores must be no older than two years from the date you submit your Program Application.
  o Prior versions of the TEAS (i.e. TEAS IV, TEAS V) will not be accepted.
  o See page 4 for information on scheduling an exam.

✓ Submit the Fall 2022 Dental Hygiene Program Application
  o Applications can be submitted **February 7th through March 11th.**
  o See page 4 for details on application submissions

**Note:** Meeting all criteria listed above does not guarantee acceptance to the program. However, all criteria must be met to apply and be considered for selection.
## PROGRAM CURRICULUM OUTLINE

### General Education Courses
These courses may be taken prior to applying to the program to lighten the academic load and for possible award of ranking points.

### Dental Hygiene Program Courses
These courses are taken once accepted to the program.

#### Fall 2022
- DEN 110: Orofacial Anatomy (3 credits)
- DEN 111: Infection/Hazard Control (2 credits)
- DEN 120: Dental Hygiene Pre-Clinic Lecture (2 credits)
- DEN 121: Dental Hygiene Pre-Clinic Laboratory (2 credits)

#### Spring 2023
- DEN 112: Dental Radiography (3 credits)
- DEN 124: Periodontology (2 credits)
- DEN 130: Dental Hygiene Theory I (2 credits)
- DEN 131: Dental Hygiene Clinic I (3 credits)

#### Summer 2023
- DEN 125: Dental Office Emergencies (1 credit)
- DEN 140: Dental Hygiene Theory II (1 credit)
- DEN 141: Dental Hygiene Clinic II (2 credits)
- DEN 221: General and Oral Pathology (2 credits)

#### Fall 2023
- DEN 123: Nutrition/Dental Health (2 credits)
- DEN 220: Dental Hygiene Theory III (2 credits)
- DEN 221: Dental Hygiene Clinic III (4 credits)
- DEN 224: Materials and Procedures (2 credits)
- DEN 223: Dental Pharmacology (2 credits)

#### Spring 2024
- DEN 230: Dental Hygiene Theory IV (1 credit)
- DEN 231: Dental Hygiene Clinic IV (4 credits)
- DEN 232: Community Dental Health (3 credits)
- DEN 233: Professional Development (2 credits)

**Total Program Course Credits:** 47 credits

**TOTAL CREDITS REQUIRED FOR DEGREE:** 74-77 credits
LIMITED ENTRY ADMISSION PROCESS – GTCC HEALTH SCIENCES PROGRAMS

MEET PROGRAM ADMISSION REQUIREMENTS

Complete the GTCC General Admission Process (New and Returning Students)

- New and returning GTCC students must complete the GTCC general admission, including the North Carolina Residency Determination Service (RDS). To get started, visit https://www.gtcc.edu/admissions-and-aid/apply-now.php
  - Returning students: students previously admitted to GTCC and have not been enrolled in courses for more than 12 months
- Submit your official transcripts to the GTCC Admissions Office. Once received, transcripts are evaluated by GTCC's Enrollment Services staff. Approved transfer credits will be added to your academic record as appropriate.
  - Please allow a minimum of TWO WEEKS for evaluation to occur. This process takes longer near the beginning or end of a semester. Transfer credits from regionally-accredited colleges/universities must appear on your GTCC WebAdvisor transcript in order to be considered for meeting program requirements and/or earning ranking points.
- Activate your GTCC Titan Account. You should be able to do this within 48 hours of completing your GTCC Application.
- Need help with this requirement? For assistance with any part of the general admission process, you can contact the Admissions office at 336-334-4822, ext. 31125 or email admissions@gtcc.edu.

Complete the Required Online Program Information Session by 5pm, March 4th

Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement!

This session will provide you with a detailed overview of the program, faculty and student expectations, class schedules and clinical requirements, the minimum program admission requirements, submitting your program application, and the selection and notification process for the incoming class.

- You must have an activated Titan account to access the information session.
- The direct link to the session is: https://online.gtcc.edu/course/view.php?id=35937. You may also access it by logging into Moodle at https://online.gtcc.edu/ and searching for “Health Programs Information Sessions”.
- Enroll yourself in this course and complete the Fall 2022 Dental Hygiene module. You must pass the information session with a score of 100% to receive credit for completing this task. Access to the module will close at 5pm on March 4th!

Demonstrate College Readiness for English AND Mathematics

You must be able to demonstrate that you have achieved the appropriate levels of college readiness in both subject areas. The chart below shows options for meeting these requirements.

<table>
<thead>
<tr>
<th>COLLEGE ENGLISH READINESS</th>
<th>COLLEGE MATHEMATICS READINESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>□ Option 1: You have completed or received transfer credit for ENG 111.</td>
<td>□ Option 1: You have completed or received transfer credit for one of the following -- MAT 143, MAT 152, MAT 171 (or a higher-level math).</td>
</tr>
<tr>
<td>□ Option 2: You have completed or received waiver credit for all of the following: DRE 096, DRE 097, DRE 098</td>
<td>□ Option 2: You have completed or received waiver credit for all of the following: DMA 010, DMA 020, DMA 030, DMA 040, and DMA 050</td>
</tr>
<tr>
<td>□ Option 3: You have completed or received waiver credit for ENG 002 with a minimum grade of P2</td>
<td>□ Option 3: You have completed or received waiver credit for MAT 003 with a minimum grade of P2</td>
</tr>
<tr>
<td>□ Option 4: You have completed or received waiver credit for ENG 011</td>
<td>□ Option 4: You have completed or received waiver credit for one of the following: MAT 043, MAT 052, or MAT 071</td>
</tr>
</tbody>
</table>
Demonstrate Biology Competency
Applicants can meet this requirement one of the following ways:

- College-level BIO/lab course with a “C“ or better, completed within 10 years of program start date—(since 2012)
  - The course must be reflected on your transcript in WebAdvisor.
- High school-level BIO/lab course with a “C“ or better, completed the 2018-2019 school year or later
  - Your high school transcript must be on file in Admissions.

Demonstrate Chemistry Competency
Applicants can meet this requirement one of the following ways:

- College-level CHM/lab course with a “C“ or better, completed within 10 years of program start date—(since 2012)
  - The course must be reflected on your transcript in WebAdvisor.
- High school-level CHM/lab course with a “C“ or better, completed since 2018-2019 school year or later
  - Your high school transcript must be on file in Admissions.

Complete the ATI TEAS and Achieve a Minimum Composite Score of 66
You may schedule your ATI TEAS through the GTCC Assessment Center or an ATI-approved testing center. Your ATI TEAS scores may be no older than two years from the date you submit your Program Application.

- To schedule an exam with the GTCC Assessment Center, visit https://www2.registerblast.com/gtcc/Exam/List.
  - For questions related to scheduling the exam at GTCC, please contact the Assessment Center (testingcenter@gtcc.edu or (336) 334-4822, ext. 50574).
- For more information about the exam, study materials, and other testing locations, visit www.atitesting.com.

**NOTE**: Exam scores do not need to be sent to GTCC. You will be required to upload a copy of your score to the program application.

NEW SUBMITTING YOUR PROGRAM APPLICATION

Program Applications will be accepted February 7, 2022 through 5pm on March 11, 2022.

Once you have completed all of the program admission requirements, it’s time to submit your program application. This will be completed electronically through the Health Programs Information Sessions course in Moodle. Once you have completed the information session with a score of 100% the link for the application can be accessed starting February 7, 2022.

- Only one submission will be permitted for each applicant
- You will be required to upload a copy of your ATI TEAS score
- If applicable, you will upload documentation of other ranking criteria
- It is critical that you check your WebAdvisor transcript to make sure all coursework is accounted for, including transfer credits. Ranking points will only be given for courses that are on record. It is your responsibility to ensure all official transcripts have been submitted to Admissions and processed for transfer credits.
- Incomplete and/or ineligible applications will not be moved forward
Applications will not be reviewed by the Limited Entry Programs Office until after the March 11th deadline. It is important to make sure all requirements are met BEFORE submitting your application.

PROGRAM APPLICANT SELECTION AND NOTIFICATION PROCESS

Ranking and Selection Process
The first 2 weeks following the March 11th deadline, all application submissions will be screened by the Limited Entry Programs Office to confirm all criteria have been met. All applicants will be notified via GTCC email if their submission will be moved forward to the Selection Committee for the final ranking review.

The next 2-3 weeks following the initial screening, the Health Sciences Review Committee (comprised of Health Sciences Program Directors and faculty, Dean of Health Sciences, and Limited Entry Programs Office Staff) will review all eligible applications.

Applicants are ranked using a points system and will be selected based on the total points earned (see below). Ties will be decided based on the following criteria: 1) The total points earned in the “General Education Courses” ranking section; 2) The ATI TEAS composite score; and 3) The date of the GTCC General Admission Application for the program of interest.

CALCULATION OF POINTS FOR RANKING AND SELECTION

(NOTE: Courses that have received “Pass/Fail” or “Satisfactory/Unsatisfactory” grades will be considered equivalent to a “C”.)

<table>

Notification Process

Final results will be sent electronically to the applicant’s GTCC email address in approximately 4 weeks of the application deadline – it is the applicant’s responsibility to check this email account frequently to avoid missing important communications from GTCC!

- Applicants offered a seat must accept or decline a program position by submitting an Intent to Enroll Form within 10 business days of the date on the acceptance letter. Failure to respond within the stated timeframe will result in the position being offered to an alternate. Once a student declines a program position, the decision may not be reversed.

- Applicants have 15 business days from the date on the notification letter to contest the results of the selection process. The request for review of the results must be submitted in writing to the Dean of Health Sciences (Dr. Paulette Woods-Ramsey, pwoodsr@gtcc.edu). The Dean will render a decision within 10 business days of receipt of the written request. The Dean’s decision is final.

PROGRAM ORIENTATION, ADVISING/REGISTRATION, AND ENROLLMENT

Once a position in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program. An alternate student will be selected to fill the vacant position, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program.
A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry. If applicable to the program, ranking point deductions will apply for future applications to the same program.

The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.

Important Notes to Health Science Program Applicants

Program faculty reserve the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, students agree to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the students may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of “D” in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of “D” in a general education course will not transfer to another institution, nor will GTCC accept a grade of “D” for credit from another institution. Students must achieve a “C” or better in BIO, CHM, and program major courses. Students who do not achieve a “C” or better in these courses will be suspended from the program.

GTCC’s Dental Hygiene program is nationally accredited by the American Dental Association’s Commission on Dental Accreditation
