# Limited Entry Admission Process – GTCC Health Sciences Programs

---

## Phase I: Complete by May 8, 2020

### Complete the GTCC Admission Process (new applicants/former GTCC students).

Please complete the GTCC admission process, including the North Carolina Residency Determination Service (RDS) process. To get started, visit <https://www.gtcc.edu/admissions-and-aid/apply-now.php>

Submit your official transcripts. Once received, transcripts are evaluated by GTCC's Enrollment Services staff. **PLEASE ALLOW A MINIMUM OF TWO WEEKS FOR EVALUATION TO OCCUR!** Approved transfer credits will be added to your academic record as appropriate. Transfer credits from regionally-accredited colleges/universities must appear on your GTCC WebAdvisor transcript in order to be considered for meeting minimum requirements or earning ranking points.

**PLEASE CHECK THE STATUS OF YOUR ADMISSION PROCESS** by visiting <https://applicationstatus.gtcc.edu> and <https://transcripts.gtcc.edu>.

### Complete a required Program Information Session.

You are required to complete a Program Information Session in order to apply to the Fall 2020 program. Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement.

This session will provide you with an overview of the curriculum, the minimum program admission requirements, faculty expectations and discussion of class schedules and clinical requirements, preparing and submitting your *Health Programs Application packet*, and the selection and notification process for the incoming class. At the completion of the session, you will receive a GTCC ATI TEAS test pass.

- The schedule of **LIVE SESSIONS** is available on the front of this packet. Sessions will last approximately 1 to 1.5 hours. Late arrivals/early departures will not receive credit for having completed this session. . All sessions are offered on the Jamestown Campus in the Percy Sears Applied Technologies Center Auditorium (#25 on the [Campus Map](#)), and directions will be posted in the building's lobby entrance areas.
- **ONLINE SESSIONS (Available after September 1, 2019):** If you are unable to attend a live Information Session, you must study a PowerPoint presentation in the online Information session and then score 100% on a quiz. The instructions to access the online information session are as follows:

***If you are a current student at GTCC or you have already submitted an application to GTCC:***

1. Go to [online.gtcc.edu](https://online.gtcc.edu) and login using your GTCC Titan account.
2. Go to the bottom of the My Courses page and use the search field to find "Radiography Information Session".
3. Enroll yourself in this course.

***If you are a potential student at GTCC (meaning you have not submitted an application to GTCC at this time):***

1. Go to [coned.gtcc.edu](https://coned.gtcc.edu). Use the "Create New Account" option on the main page. The account creation process ends with you confirming a link in your email account.
2. Return to [coned.gtcc.edu](https://coned.gtcc.edu) and login using your new account.
3. Go to the bottom of the My Courses page and use the search field to find "Radiography Information Session".
4. Enroll yourself in this course.

**☐ Demonstrate English and mathematics “College Readiness” levels.**

You must be able to meet one of the following options for both subject areas:

COLLEGE ENGLISH READINESS	COLLEGE MATHEMATICS READINESS
<p><input type="checkbox"/> <b>Option 1:</b> You have completed or received transfer credit for ENG 111.</p> <p><input type="checkbox"/> <b>Option 2:</b> You have completed or received waiver credit for <u>all</u> of the following: DRE 096, DRE 097, DRE 098</p> <p><input type="checkbox"/> <b>Option 3:</b> You have completed or received waiver credit for ENG 002 with a minimum grade of <u>P2</u></p> <p><input type="checkbox"/> <b>Option 4:</b> You have completed or received waiver credit for ENG 011</p>	<p><input type="checkbox"/> <b>Option 1:</b> You have completed or received transfer credit for <u>one</u> of the following -- MAT 143, MAT 152, MAT 171 (or a higher-level math).</p> <p><input type="checkbox"/> <b>Option 2:</b> You have completed or received waiver credit for <u>all</u> of the following: DMA 010, DMA 020, DMA 030, DMA 040, and DMA 050</p> <p><input type="checkbox"/> <b>Option 3:</b> You have completed or received waiver credit for MAT 003 with a minimum grade of P2</p> <p><input type="checkbox"/> <b>Option 4:</b> You have completed or received waiver credit for <u>one</u> of the following: MAT 043, MAT 052, or MAT 071</p>

Phase II: **Complete by 5:00pm on May 22, 2020**

**☐ Take the Test of Essential Academic Skills (ATI TEAS). Score a minimum of “62”.**

If you plan to take the ATI TEAS at GTCC, you must have completed the required Program Information Session in order to obtain a GTCC testing pass from the Limited Entry Programs Office. The Testing Pass must be presented to the GTCC Assessment Center (Jamestown Campus) on the day of your test. You may test twice in a 6-month period. The test fee is \$65 for GTCC students and \$90 for non-GTCC students and is not covered by financial aid.

Scores from other colleges or Testing Centers will be accepted, but they must be from the ATI TEAS. Make sure to ask what version they offer before registering for your test date. Study material may be purchased at [www.atitesting.com](http://www.atitesting.com) or at the Jamestown Campus Bookstore.

**☐ Demonstrate Biology Competency by one of two ways.**

- High School Biology/Lab course, completed since the 2016-2017 school year, with a grade of “C” or better.
- College Biology/Lab course, completed since 2010, with a grade of “C” or better.

Once You Have Completed ALL of the Steps Listed above, Then You Have Completed the Program’s Minimum Admission Requirements (MAR). You are Now Ready to Submit Your Health Sciences Program Application to the Limited Entry Programs Office.

**☐ Gather Your Application Materials and Submit them by the 5pm Deadline.**

Once you have completed all of the minimum admission requirements, gather all of the required documents, attach them to the *Health Sciences Program Application*, and submit the packet to the Limited Entry Programs Office, located in Hassell Health Technologies Center, Room 140 on the Jamestown campus. **Application packets received after the deadline will not be accepted.**

- Complete the *Health Sciences Program Application*.
- **Verify that all transcripts have been received and evaluated for transfer credit by GTCC before attaching a copy of your WebAdvisor transcript! The Selection Committee will use this transcript to verify minimum requirements and award ranking points!**
- Attach a copy of your ATI TEAS test results.
- Attach all other documentation required on the *Health Sciences Program Application Checklist* (back page of Application).

The Limited Entry Programs Office will offer a schedule of “Drop-In” times to review your application file in the weeks prior to the deadline. Please contact the office at (336) 334-4822, ext. 50439, send an email to [limitedentry@gtcc.edu](mailto:limitedentry@gtcc.edu), or visit the Office for more information on this schedule.

## The Program Applicant Review and Selection Process

During the next 3-4 weeks after the Program Application Deadline, the Health Sciences Review Committee, comprised of various Health Sciences Program Directors and faculty, the Dean of Health Sciences, and the Limited Entry Programs Office Staff, will review all applications submitted by the deadline.

**Applicants are ranked using a points system, and candidates will be selected, based on the total points earned.** Ties will be decided, based on the following system: 1) The applicant with the higher total points earned in the "General Education Courses" ranking section; 2) The applicant with the higher TEAS composite score (if applicable); and 3) The date that the GTCC Admission Application was submitted for the program of interest.

Each candidate who submits a *Health Sciences Program Application* to the Limited Entry Programs Office by 5pm on the specified deadline will be notified in writing of the results of the selection process. **Notification will be sent electronically to the applicant's GTCC email address.**

Students must accept or decline a program position by submitting an *Intent to Enroll Form* within 10 business days of the date on the acceptance letter. Failure to respond within the stated timeframe will result in the position being offered to an alternate. Once a student declines a program position, the decision may not be reversed.

A student has 15 business days from the date on the notification letter to contest the results of the selection process. The request for review of the results must be submitted in writing to the Division Dean. The Division Dean will render a decision within 10 business days of receipt of the written request. The Division Dean's decision is final.

## Program Orientation, Advising/Registration, and Enrollment

Once a position in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program. An alternate student will be selected to fill the vacant position, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry. If applicable to the program, ranking point deductions will apply for future applications to the same program.

*The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.*

## Important Notes to Health Science Program Applicants

Program faculty reserve the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, the student agrees to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the student may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of "D" in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of "D" in a general education course will not transfer to another institution, nor will GTCC accept a grade of "D" for credit from another institution. Students must achieve a "C" or better in BIO, CHM, and program major courses. Students who do not achieve a "C" or better in these courses will be suspended from the program.
