Welcome to Guilford Technical Community College!

We want your GTCC Career to get off to a fantastic start! Included in this Handbook are the policies and procedures affecting student life on campus. We recommend you review and become familiar with this information.

For more up to date information regarding clubs, activities and events on campus, please check out https://www.gtcc.edu/student-life/index.php.

Communication
The Titan Email account (@gtcc.edu) provided to students by Guilford Technical Community College is the primary tool for official communication from the College to students. The College will send official messages to students at the address provided and expects students to review their GTCC email accounts regularly and to respond as appropriate.

Academic Regulations
This section contains information about completion of academic programs and academic standing.

Academic Integrity
Guilford Technical Community College (GTCC) is an academic community with its fundamental purpose being the pursuit of learning and student development. Consistent with this purpose and in order to uphold and support standards of personal honesty and integrity for all members of the college community, it is the policy of GTCC to enforce standards for academic integrity of our programs and courses. Conduct that violates standards of academic honesty and integrity is subject to academic disciplinary action. This conduct may include, but is not limited to, cheating, fabrication and falsification, plagiarism, abuse of academic materials and complicity in academic dishonesty. Any student who violates these standards is subject to academic disciplinary action. Students should refer to the Academic Integrity Policy for additional information at https://www.gtcc.edu/student-life/student-policies-and-information/student-academic-integrity.php

Academic Honors
Honor rolls include the President’s List, Dean’s List and Honors List. The President’s List recognizes all program students who complete at least 12 credit hours for the semester (9 credit hours for summer term) and earn a 4.0 grade point average. The Dean’s List recognizes all program students who complete at least 12 credit hours for the semester (9 credit hours for summer term) and earn a grade point average of less than 4.0 but no lower than 3.5, with no grade below a C. The Honors List recognizes all program students who complete at least two courses for the semester for a minimum of six credit hours, but no more than 11 credit hours (6 credit hours and no more than 8 for summer term), and earn at least a 3.5 grade point average with no grade lower than a B. Students with grades of incomplete (I) for any course are not eligible for honor rolls. Grades of S, U, X or AU will not be considered for honor rolls, and those courses will not be considered in the minimum hours for honor rolls. Pre-curriculum courses do not apply to academic honors calculations. Students are notified if named to an honor roll.

Attendance Policy
Regular attendance in class is essential to receiving maximum benefit from the educational experience. A curriculum student is expected to attend and be on time for all classes and lab/shop/clinic sessions and to follow the attendance policy stated on the course syllabus. In order to remain enrolled in a course, a student must be in attendance on or before the course census date. For fully online classes, a student must complete a graded assignment/activity on or before the census date. For all other classes, a student must be physically present in the class on or before the census date.

Military leave absence(s) will not be counted as an absence when the instructor has received prior official notification. Responsibility for initiating such notice rests with the student. Military personnel must be able to enter the course prior to the census date. Leave that interferes with course entry before the census date will require that the individual drop the course.
Curriculum and continuing education students are allowed two (2) days of excused absences each academic year for religious observances as required by law. Curriculum students must notify instructors in writing of expected religious absences within the first three weeks of class.

Some programs may have outside regulatory bodies that require a minimum of course attendance hours (e.g. BLET, Cosmetology, and Aviation). Each instructor will include attendance requirements and criteria for tardiness on the course syllabus.

Students are responsible for course content when absent and for coming prepared to the class following the absence. Students should refer to the course syllabus for the class policy on make-up work.

**Change of Program**
Students who want to change their program of study should first meet with their assigned faculty coach or a Student Success Coach. In order to change the program of study, a Program Change form must be completed. The Program Change form is available in the Student Success Center and online at Program Change Form. The department chair of the new program of study will make the final decision regarding the applicability of credits. Students receiving financial aid or Veterans education assistance must verify eligibility with the Financial Aid Office or Veterans Affairs Office before completing a Program Change form.

**Transfer to another Institution**
Students planning to transfer to a four-year college or university should acquaint themselves with that institution’s requirements and the requirements for their major. The Student Success Center can assist students in developing an educational plan to transfer to a specific college. The plan typically includes majoring in a “College Transfer” program at GTCC. Details can be found in the college catalog.

**Progress Reports and Early Alerts**
Two weeks into a course, each instructor sends a Progress Report informing the student whether they are performing well or are at risk of failing in the course. At the midpoint of the course, a second Progress Report is sent to each student in the course. At the same time, instructors enter their midterm grades into the grading system. Early Alerts are sent in between Progress Reports when the student is not achieving satisfactory academic progress in the course. In addition, these alerts list the reason(s) for the student’s lack of progress. An at risk Progress Report or an Early Alert is sent to a Student Success Center representative who will recommend available campus services to assist the student with any problems interfering with coursework. A student’s primary contact regarding progress in any course is the instructor for that course. If students have problems of any kind that interfere with coursework, they should make an appointment with the instructor to discuss the difficulties.

**Center for Academic Engagement**
Need to understand your assignment? Stuck on a problem or paper? Don’t know how to study? Working with a tutor can help you develop the confidence and skills you need to make the most of your time at GTCC.

The Center for Academic Engagement (CAE) provides one-on-one tutoring, a computer lab, supplemental instruction, and college success (ACA) classes. Free tutoring is offered at all campus locations and online. As a student at GTCC, you are never alone on your path to academic success.

ACA Classes
The transition from high school to college can be difficult. The Center for Academic Engagement (CAE) provides Academic Success Classes (ACA) to teach you the skills you need to succeed in college and at work.
If you’re new to college, need a refresher after a long break from school, or are majoring in certain career and technical programs, you’ll want to take ACA-111, College Student Success, during your first semester at GTCC, where you’ll learn tricks for time management, note-taking, study skills, and more.
If you’re transferring to a four-year university, ACA-122, College Transfer Success, will help you develop academic and professional goals, as well as create a transfer plan. Take ACA-122 in your first semester.

Dropping/Adding Courses
You can make a schedule change (drop/add) during the schedule adjustment period at the beginning of the semester. In order to avoid being charged fees for dropped classes, you must drop and add the same amount of credit hours in the same transaction. Check your web advisor account after making any schedule adjustments to pay any additional charges incurred. After the schedule adjustment period, you should follow the drop/withdrawal process if you want to drop or withdrawal from a class.

During the schedule adjustment period, students may drop or add open classes using WebAdvisor. After the schedule adjustment period and on or before the course census date, students may drop a course by using the online drop form located in their Moodle class or at student forms. After the course census date, students may withdraw from a course by using the online withdrawal form located in their Moodle course or at student forms. To withdraw from a face-to-face, hybrid or online class, students should use the online withdrawal form.

Please note: F-1 Visa, Athletes, Early Middle College, College and Career Promise students are not eligible to use the online withdrawal form. A paper form must be used and the following steps completed:
• Return the withdrawal form to the Enrollment Services Center located at any campus location (photo ID is required).

Withdrawal Procedures
A student who formally withdraws from a course after the 10% point of the class and before 70% of the scheduled class hours have elapsed will receive a grade of “W”. Students who stop attending class or are not re-admitted to class after excessive absences occurring before 70% of the scheduled course contact hours have elapsed will receive a grade of “F” unless they formally withdraw from the class.

If a student cannot complete a course due to extenuating circumstances (e.g., accident, illness, or death in the family) after 70% of the course contact hours have elapsed, the student may contact the instructor who may award a grade of “I” or “F”, or the student may contact the Registrar’s Office to request a late withdrawal. Students who stop attending class or are not re-admitted to class after excessive absences will receive a grade of “F” unless those absences are the result of extenuating circumstances.

Procedure:
After the close of the schedule adjustment period, a student may drop or withdrawal from a class by completing the online drop/withdrawal form.
Students withdrawing after the end of the schedule adjustment period but before the 10% point will not receive a grade and will be eligible for a refund of 75% of the tuition of the class provided that the withdrawal reduced the student’s hours for the term below 16 credit hours. If the course instructor is unavailable, the student may contact the department chair. Dates of the generic 70% point will be announced in the college’s academic calendar. The 70% point for a particular class may vary based on its meeting schedule.

**Academic Suspension**

Students are suspended for one term if they do not have a cumulative program GPA of a 2.0 or higher at the end of the term for which they were on probation.

- An email is sent to the students’ GTCC Titan email address providing the Associate Vice President of Instruction’s contact information.
- Students who have pre-registered for the term in which they will be suspended will be administratively withdrawn from those courses.
- Upon return to the college, students are considered to be on academic probation and will be required to meet with a Student Success Center representative prior to registration.

**Academic Suspension Appeals Process**

Suspended students have the right to appeal. Students may appeal an academic suspension to the Associate Vice President of Instruction prior to the last day of schedule adjustment for the semester in which the suspension takes effect. During the appeal process, students may not register or attend classes. In addition, the registration hold will remain in effect.

a. Students must complete the Academic Suspension Form and submit it to the Associate Vice President of Instruction.

b. The Associate Vice President of Instruction will review pertinent records such as student transcripts and consult with faculty, counselors, and others who can aid in the review process and make a decision within five business days after receiving the appeal.

c. The Associate Vice President of Instruction will render one of the following two decisions:

   1. Lift suspension with or without provisions. All provisions will be monitored by the Student Success Center.
      
      i. Students whose appeal is lifted may register for any courses that has not started.
      
      ii. Students must meet with an academic coach prior to registration.

   2. Let the suspension stand.

d. The Associate Vice President of Instruction will notify suspended students the results of the appeal at the time of meeting with the student or in writing within five business days.

e. Once the decision has been communicated to the student, the Associate Vice President of Instruction will notify the Department, the Associate Vice President of Student Support Services, the Registrar, the Director of the Student Success Center, Financial Aid, Bursar, and the Veterans Office.

f. Students who are not satisfied with the decision of the Associate Vice President of Instruction may appeal to the Vice President of Instruction.

**Limited Enrollment Health Programs Academic Appeals Process**

Limited enrollment health students on academic suspension have the right to appeal.

a. The respective Program Director or Program Coordinator of the limited enrollment health program will notify the appropriate Division Chair of students who are academically suspended each semester.

b. The appropriate Dean will send a letter of suspension.

c. Once students have received a letter of suspension from the health program, they may appeal by following the Student Complaint policy for an academic grade-related appeal.
**Instructional Evaluation**

Each instructor must evaluate the achievement of his or her students. At the beginning of each course, students will be provided course requirements, evaluation methods, and grade determination through the course syllabus. Each course will have two or more student learning outcomes noted in the syllabus. Course activities and evaluation methods will be heavily tied to these student learning outcomes to encourage student proficiency upon successful completion of the course.

Questions about course requirements, evaluation methods, and grades should be directed to the course instructor. Individual grades on specific assignments cannot be appealed. However, students can appeal a final course grade by following the procedure within the Student Complaint policy: [https://www.gtcc.edu/student-life/student-policies-and-information/index.php](https://www.gtcc.edu/student-life/student-policies-and-information/index.php)

**Academic Load**

In order to graduate within a two-year timeframe, the average academic load should be 15 - 18 credits per term, excluding pre-curriculum courses. Students should refer to the GTCC catalog for their chosen program of study, available online in the Academic Catalog. A minimum of 12 credit hours meets the full-time definition for veterans and financial aid benefits. Students are encouraged to work with their advisors in determining an appropriate academic course load. Students should consider taking an academic load that will be compatible with their work schedule, family commitments, health and other obligations.

**Academic Performance/Minimum Grade Point Average (GPA)**

To remain in good academic standing, students must maintain a cumulative program GPA of 2.0 or higher. Students will be notified if their cumulative program GPA falls below a 2.0. The academic warning/supervision/probation/suspension status can be view in the college catalog under academic status.

**Advanced Standing**

The college recognizes and values knowledge and skills gained in many ways. Advanced academic standing may be earned by any or all of the following methods:

1. Transfer of credit from approved institutions
2. Guilford Technical Community College proficiency examinations
3. College Level Examinations Program (CLEP)
4. Advanced Placement examinations (AP)
5. High school articulation
6. Professional certification
7. International Baccalaureate (IB)

Students who have gained knowledge and skills through continuing education courses with no avenues for crosswalk or work experience may receive credits through the use of proficiency exams.

Institutions recognized by a regional accreditation association, such as the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), are approved schools for transfer credit. The Records Office will determine the appropriate course equivalency for acceptance of transfer credit. Students must provide official transcripts from previously attended colleges and universities to receive transfer credit. Credits will be evaluated on a course-by-course basis. Students will receive credit for courses with an earned grade of “C” or better. Transferred courses may require department validation before acceptance.

Transfer credit from international colleges is awarded on a case-by-case basis and may require department chair validation. Students are advised to submit their record of coursework to an agency recognized by NACES (National Association of Credential Evaluating Services) for an international evaluation. [www.naces.org](http://www.naces.org). A certified copy of an English translation of the college transcript maybe helpful that lists semester hours and degree equivalents for determining transfer credits. GTCC will accept all approved courses for transfer of credit with the stipulation that a minimum of one-fourth of the required hours in the degree program and one-third of the major course work applicable to graduation be earned at GTCC. Some programs may have time limits for transfer of certain courses.
Auditing a Course
To audit a course, you must indicate that you want to audit it when you register or before the end of the drop/add period for the term, or you must get the instructor’s approval to change to an audit grade before the 5/8 point of class.

Grades
Final grades are available on WebAdvisor. They are not mailed.

The following are not included in GPA calculations
S Satisfactory 70-100
U Unsatisfactory below 70
AU Audit
I Incomplete (includes IE for an emergency such as COVID-19)
W Withdrew (includes WE for an emergency such as COVID-19)
X Placeholder for AVI classes not completed to FAA standards
P1, P2, and P3 Pass - used for transition center English and math classes
R Repeat - used for transition center English and math classes

Grades are assigned based on work completed by the end of scheduled class time. Additional work after the end date of the class is not justified unless an Incomplete was assigned.

GTCC computes GPA using the four-point system and by adding the quality points earned for each course and dividing by the total number of credit hours for those courses.

Every student will have a program GPA, which is based only on courses in the student’s program of study. Every student also will have a cumulative GPA, which includes all courses taken for credit at GTCC. To earn a degree, diploma, or certificate, students must have successfully completed all program requirements with a program GPA of 2.0 or higher and a grade of A, B, C, D, or S in each course in their program of study.

For information regarding key student policies and information, documents and complaint forms, please click here. For Student Complaint Assistance for Online Students, please click here. Student complain procedures to follow are available here.

Other Grade Designations
S & U Grades
An S indicates a student successfully achieved the outcomes expected for the course and completed the minimum requirements. An S corresponds to a grade between 70-100 in a course. A U means the student did not master the outcomes and/or complete the minimum requirements for the course. A U corresponds to a grade below 70. S and U grades are given in cooperative education and other designated courses.

AU Grade
An AU means a student audited the course and will receive no grade and no credit. To audit a course, students must indicate that they want to audit when they register or before the end of the schedule adjustment period for the term, or they must get the instructor’s approval to change to an audit grade before the 5/8 point of class. Students may not change an AU class to credit after the schedule adjustment period. Students are required to pay standard tuition rates for audited classes, which are not eligible for financial aid.
I Grade
An I indicates a student is passing a course but has not completed all required course work. Instructors decide whether to assign an I. Students must complete course work required to remove the I grade before the 5/8 point of the subsequent term. If the incomplete is not removed, the student will receive an F for the course.

W Grade
A W indicates a student withdrew from a course.

X Grade
Aviation Systems Technology uses the X grade as a placeholder for AVI classes that are not completed to FAA Standards. A grade of X for AVI 110 is not a passing grade and does not satisfy state prerequisites.

P & R Grades
A P indicates a student successfully achieved the outcomes expected for the course and completed the minimum requirements. An R means the student did not master the outcomes and/or complete the minimum requirements for the course. P and R grades are given in the developmental math shells (DMS) and developmental reading/English courses (DRE).

Courses completed by proficiency exam will show grades with a P prefix. Only grades of C or better or S earn credit toward graduation. Proficiency credits are not used when calculating GPA, except for the financial aid GPA calculation.

N Prefix
If a course is forgiven, the grade will have an N prefix. The course grade and credit hours are not used in GPA calculations, except for the financial aid GPA calculation.

NS indicates that a student was a no-show and did not meet the attendance requirements by the course census date.

Forgiveness of Grades for Previously Earned Credits
Enrolled students will be provided with the opportunity to request that credits earned five (5) years or more before the current date not be considered in determining the courses completed toward a degree, diploma, or certificate, and thus also not be considered in determining grade point average.

Procedure:
1. Students currently enrolled at least half-time, whether continuously enrolled or student(s) who have not attended the institution on a continuing basis, and whether continuing in a single curriculum or enrolling in a new curriculum, may complete the Forgiveness of Grades Request form available at Records Office forms. 2. If the request is approved, a new transcript will be prepared and maintained. The new transcript will show all courses affected by the forgiveness of credit and quality points using an appropriate identifier, i.e., a prefix before the grade (NZ, where Z is the grade). Only credit hours and quality points will be purged from the student's transcript; course numbers, course titles and grades, appropriately prefixed, will remain on the record.
3. If the request is denied, the student may reapply for consideration no sooner than six months from the date of the denial, provided the student has been at least a half-time student during the six months prior to re-admission.
Admissions
GTCC has an open door admissions policy. The college is open to anyone at least 18 years old or high school graduates younger than 18. Admission to the college, however, does not ensure applicant’s admission to the program of their choice. Interested persons should contact the Admissions Office for detailed criteria for admission to a particular program or for admission to the college as a special credit student.

Readmission
Students must maintain Continuous Enrollment or they will need to re-apply. Missing 2 major semesters (Fall and Spring) in a row is a break in Continuous Enrollment.

Non Health Program Students
You can reapply if you have been suspended or dismissed, or have withdrawn for academic or other reasons. If you have been suspended, you cannot apply until at least one semester has passed. You will be on probation the semester you re-enter and you must earn a C or better in all the courses you take. If you do not make grades of C or better, you will be suspended for a period of two semesters. To be readmitted, you must complete the admission procedures.

Consortium
GTCC is a member of the Greater Greensboro Consortium, which also includes Bennett College, Elon University, Greensboro College, Guilford College, High Point University, North Carolina Agricultural and Technical State University and the University of North Carolina at Greensboro. The Greater Greensboro Consortium (GGC) is a program designed to expand the options available to degree-seeking students who are currently enrolled at one of the eight colleges and universities in the surrounding area. Its primary purpose is to assist a student in registering for a course(s) elsewhere that is unavailable in a given semester on the student’s home campus. Consortium students must be degree-seeking students, currently enrolled in one of the participating institutions. They must have the permission of the coordinating officer (normally the Registrar) from their HOME Campus. Consortium students may not cross-register for courses inappropriate to the degree they seek or to their class status; for example, sophomores can take sophomore level classes and undergraduates may take only undergraduate courses. Consortium students must have a 2.0 cumulative GPA or higher at their HOME campus to participate. Completion of developmental coursework (English, Reading and Math) is required prior to taking a course through the consortium program.

There is no limit to the number of courses that consortium students may take at other institutions, however, students must be enrolled for at least six semester hours at the home institution (GTCC). At least one-half of students course work must be completed at the HOME campus each semester. This program is not intended for courses that are designed to be self-supporting, so independent studies are not available. Tuition and fees are paid to the HOME campus. Fees are not charged by the HOST campus for cross registration courses unless there are special charges (such as lab fees, insurance, course materials, etc.). In these cases, consortium students must pay these charges to the HOST campus. Consortium registration procedures and contacts for each school are located here.

Commencement
To be eligible for graduation, you must have completed your program requirements, have a final program GPA of 2.0 and not owe the college any tuition, fees or fines. You also must have earned at least one-fourth of the required hours in your program at GTCC and have taken at least one third of the major course work required for graduation at GTCC. Graduation ceremonies are held every year for degree and diploma candidates. The college encourages you to attend the graduation ceremony. If you choose not to attend you may pick up your degree or diploma beginning the next business day after the graduation ceremony from the Student Success Center on the Jamestown Campus during regular office hours. Regardless of whether or not you choose to attend the graduation ceremony, to get your degree or diploma, you must apply for graduation. To receive your degree or diploma cover at the ceremony, you must apply before the graduation application deadline. Before applying, you should meet with your faculty advisor to be sure you have completed all of the requirements for graduation. Application for graduation forms are available online at: https://www.gtcc.edu/student-life/records-and-transcripts/graduation.php. Complete the application forms, pay the graduation fee and return the completed forms and receipt to the Student Success Center counter in the Percy H. Sears Applied Technologies Building on the Jamestown Campus or any of the Student Success Centers...
on the Greensboro or High Point campuses. The Registrar’s Office staff will review the graduation applications and certify that you are eligible to graduate.

CAMPUS POLICE DEPARTMENT
The mission of the Campus Police Department is to provide a safe educational environment for faculty, staff, students and visitors on the property of Guilford Technical Community College. Uniformed officers with the Campus Police Department are certified police officers through the NC Criminal Justice Education and Training Standards Commission with the power of arrest and the authority to enforce all state and federal laws and college regulations. Officers have this authority on all GTCC property and roads that run through or adjacent to all the Campuses. Students, faculty, staff, and visitors will be held accountable for their actions. When such actions rise to the level of criminal offenses students, faculty, staff, and visitors can be arrested or issued a citation. Campus Police Offices are located at: Jamestown – Service Careers Building, First Floor and Center for Advanced Manufacturing, Room 1524; High Point Campus – Building H1 Room 121; Greensboro Campus—Continuing Education Center (CEC), Room 148; Cesar Cone II Aviation Center – Room 118 and Cameron – Room 173.

Emergency Information
EMERGENCY CALL24 BOXES
Emergency Call24 Emergency Call Boxes are located on GTCC Campuses. These call boxes connect directly to the police radios of the GTCC PD. To activate the unit, push the call button and wait for the GTCC PD to answer.

EMERGENCY INFORMATION
Fire: Campus buildings have fire alarm systems. Upon hearing an alarm, students and staff will evacuate classrooms and office areas to the outside, away from the building and out of the way of responding emergency personnel. Students should become familiar with the exits from their classrooms. Any person discovering a fire should activate a fire alarm pull station and then call GTCC Police at 336-819-2046 or at ext. 50911 from a GTCC campus telephone or by calling 9-1-1 immediately, giving the location of the fire and the name of the caller.

Medical: The College does not maintain a medical staff on campus to administer medical care to visitors, students, staff or faculty. Since all personnel and students reside off-campus, the expense of medical and dental care are individual responsibilities. The College does not provide emergency treatment (see First Aid). The contact number for emergencies is 336-819-2046 or ext. 50911 from a GTCC campus telephone or call 9-1-1.

Annual Crime Statistics
In compliance with the Crime Awareness and Campus Security Act of 1990, GTCC maintains crime statistics for review by prospective students, enrolled students, faculty, staff, and prospective employees of the college. The crime statistics are available in the Campus Police Main Office and on the GTCC website: https://www.gtcc.edu/_files/campus%20police/ASR-Final.pdf

Mass Notification and Warning Messages
Mass notification systems are used to notify faculty, staff, and students on one or more of the campuses (depending on the nature and location of the situation) regarding emergencies and other urgent matters. It is impossible to predict every emergency or other urgent situation that may occur on campus. However, the following are examples which may warrant an emergency mass notification after confirmation: armed/hostile intruder; bomb/explosives (or threat); communicable disease outbreak; severe weather; terrorist incident; civil unrest; natural disaster; hazardous materials incident, or structural fire.

GTCC has a notification system in place to notify students, faculty and staff in the event of an emergency which may pose a threat to the health or safety of the GTCC community. A notification may be sent out using some or all of the systems listed below. The e2Campus text messaging system, the exterior mass notification speaker system, the GTCC digital phone system, the IDU (information display units) located in buildings around the campuses, the GTCC All Email Distribution List, and/or face to face communication. To sign up for the e2Campus text messaging system, go https://www.gtcc.edu/student-life/campus-safety-and-police/e2campus-sign-up.php and click on e2Campus under Services. The e2Campus system directs texts to phones and e-mail addresses once an individual signs up for the service. This service is offered free of charge by GTCC to all faculty, staff and students.
Reporting Procedures

Students, faculty, staff, and visitors are encouraged to report all crimes and public safety-related incidents to the GTCC PD in a timely manner. To report a crime or an emergency on any of the GTCC campuses, call GTCC PD at 336-819-2046 or extension 50911 from a GTCC campus telephone. The same GTCC phone numbers may be used for a non-emergency security or public safety-related matter. You may also call 911 and the call will be forwarded by the 911 Center to GTCC PD.

In an extreme emergency, including medical emergency, please call 9-1-1, then call the GTCC Campus Police Department at 336-819-2046 or extension 50911 from a GTCC campus telephone.

The Guilford Technical Community College Campus Police Department urges all students, faculty, staff and visitors to GTCC to accurately and promptly report any and all crimes to the GTCC Campus Police Department or to the appropriate police agency. The safety and well-being of our community is everyone’s responsibility.

Responsibilities of the College Community

Members of the college community must assume responsibility for their own personal safety and the security of their personal property. The following precautions provide guidance.
- Report all suspicious activity to GTCC PD immediately.
- Never take personal safety and security for granted.
- Avoid walking alone at night. Call GTCC PD for a security escort at any time.
- Never leave valuables (wallets, purses, books, phones, etc.) unattended.
- Lock car doors and close windows when leaving your car.
- Do not leave valuables in your car, especially in plain view.
- Keep a record of serial numbers for valuables including computers, phones, and electronics.

Safety Concerning Children on Campus

While all visitors are welcome at GTCC, the college does have rules concerning children on campus. For the safety of young visitors, anyone who brings children to campus should supervise them constantly and never leave them alone. The college does not allow children in classrooms, labs, shops, or common study areas. Children should not be left unattended in any college facility at any time.

First Aid

First Aid Kits are located in all shops and departmental offices on campuses. First Aid Stations are located as follows: Jamestown Campus Police Headquarters in the Service Careers Building, first floor and at the Center for Advanced Manufacturing, room 1524; Greensboro Campus Police Office in the Continuing Education Center (CEC) - room 148; High Point Campus Police Office in the H1 Building – room 121; Cesar Cone II Aviation Center – Room 118 and Cameron – Room 173. In case of an accident, students should report the accident to an instructor or other college personnel and request that Campus Police be contacted. Students may also contact the GTCC Campus Police Department at 336-819-2046 or extension 50911 from a GTCC campus telephone. NOTE: All accidents must be reported to the Campus Police Department as soon as possible.

Lost And Found

All personal items found on any GTCC campus should be turned in to the Campus Police Department. Items will be held for a maximum of 180 calendar days.

Parking

Parking Appeals
Persons wishing to appeal a parking citation may do so in writing to the GTCC Traffic Appeals Committee. Special forms to be used in the appeals are available from the Jamestown Campus Human Resources Office and the Jamestown Campus Police Office. At all other campuses, this form is available from the main office and the Campus Police Office. All appeal forms are to be submitted by the person who is appealing. The appeal form should be returned to the location from which you picked it up within 3 school days of receipt of citation. YOU MUST ATTACH YOUR COPY OF CITATION(S) TO YOUR APPEAL. Once the Appeals Committee has considered your appeal, you will be notified of the committee's decision.

The owner and driver are responsible for the actions of the vehicle and bear the burden of proof when contesting parking tickets issued to them.

Parking Deck
GTCC has a parking deck on the Jamestown Campus that is restricted to individuals who pay by the semester to park there. There is no additional fee to use the parking deck during the 2019-2020 academic year.

Parking Permits
Parking permits are not transferable from one vehicle to another. If a parking permit is destroyed, damaged, or lost, a new permit is required. This new permit will be issued free of charge upon submission of proof of previous payment. Student parking permits are issued during regular business hours throughout the academic year. Students must present proof of enrollment in order to obtain the required permit. A current parking permit is honored on all GTCC campuses.

Parking Regulations
Parking regulations are in effect at all times. There is no grace period for parking at the beginning of new semesters. You must display a parking permit on your car, motorcycle or bicycle unless you are a visitor. You can obtain a permit from Campus Police or the Cashier’s Office. You must have proof that you are enrolled as a current student. Permits are valid on all GTCC campuses. There are reserved parking spaces for faculty, staff, cosmetology patrons, dental clinic patients, visitors and people with disabilities. Parking lots and spaces are clearly marked, and it is your responsibility to find a legal parking space. Visitor parking may not be used by faculty, staff or students for any reason. Parking tickets will be issued for the following offenses, but are not limited to:

- Parking in cosmetology or dental spaces without a permit
- Parking in any area posted “No Parking Anytime”
- Parking in any area posted “No Parking Anytime Fire Zone.”
- Taking more than one space
- Blocking a sidewalk or walkway
- Blocking a handicap access cut on a sidewalk or roadway
- Not displaying a current GTCC parking permit decal
- Not displaying a current parking deck permit decal
- Parking on the grass
- Parking in a posted faculty/staff space without the correct decal
- Parking in an area not designated as a parking place
- Parking in visitor parking
- Parking the wrong direction in a one-way posted zone
- Parking in a reserved space or parking lot
- Blocking a lane of traffic
- Blocking a building entrance
- Parking on the shoulder of the road
- Parking too long in a posted time zone
- Parking a motorcycle, moped or bicycle in an area not designated for that type of vehicle
- Any other parking violation that impedes the flow of traffic on the campus

If you let unpaid parking fines accumulate, the college will withhold your grades and transcripts and you will not be able to register until you have paid the fines.

**Handicapped Parking**
Handicapped Parking is strictly enforced. Handicap parking is limited to persons who have been issued a handicap placard by the NC Department of Motor Vehicles. The placard must be displayed when the vehicle is parked in a handicap space. The placard cannot be used by anyone else unless the person the placard is assigned to is on campus and being chauffeured by the operator of the vehicle the placard is displayed in. Misuse of a handicap placard subjects the violator to a state citation with a fine of $250 plus confiscation of the placard. **Campus Police Officers will, on a regular basis, check to see that individuals parking in handicap spaces are authorized to be there.**

A brief summary of a few of the most misunderstood Parking Rules and Regulations:
- Parking regulations are subject to enforcement 24 hours a day and 365 days a year.
- Any vehicle parked in any traveled portion of a street or parking lot, at a fire hydrant, fire lane, or any grassed area, may be towed away at the owner’s expense without warning.
- All areas not specifically designated for parking shall be considered “No Parking” zones.
- Lack of a convenient parking space is not considered a valid excuse for violation of a regulation.
- Faculty, staff and students are not visitors and are in violation when parked in visitor spaces.
- The Speed Limit on Campus is 20 MPH unless otherwise posted.

**Towing**
Parking violations which normally result in a citation may cause the vehicle to be towed if the violation affects the safe conduct of traffic at any GTCC campus.

The following parking violations may result in immediate towing for each offense:
- Unauthorized parking in a “Handicapped Only” space
- Parking in a disability-only zone without the proper permit
- Parking within fifteen feet of a fire hydrant
- Leaving your vehicle unattended in a loading zone
- Parking in a designated tow zone
- Accumulating more than three parking citations in the same semester
- Parking in any area where signs indicate towing enforced or vehicles towed
- Other violations which affect the safe conduct of traffic at GTCC

Note: You can be towed more than once in a semester if you continue to park illegally! Towing costs are determined by the type of vehicle being towed and will exceed $110. Once an officer begins the process of towing a vehicle, the vehicle has been impounded and any interference by the owner or other party may result in their arrest.

**Appeals procedures for impoundment and towing:**
Persons who wish to appeal a vehicle impoundment and towing will receive a written notice of the appeal process. All appeals for impoundment/towing will be heard by a Guilford County magistrate, per NCGS 20.20.11.

**Driving on Campus**

**Speed Limit**
The 20 MPH speed limit (unless otherwise posted) is strictly enforced with radar on all campuses to insure the safety of pedestrians. Campus Police will issue state speeding citations. All persons operating vehicles on GTCC property must meet the same standards for licensing and insurance as required by NC Law.
**Traffic Accidents**

All traffic accidents occurring on the GTCC Campuses are to be reported to the Campus Police. Campus Police will investigate such accidents as required by N.C. Law. Failing to report an accident is a chargeable offense under N.C. Law.

**IMPORTANT NOTE:** North Carolina General Statutes prohibit the possession of alcohol, drugs and weapons on campus.

**NOTICE:** GTCC is not responsible for loss or damage to vehicles or any articles left therein resulting from theft, accident, or fire.

**Campus Police Phone Numbers:**

GTCC Campus Police 24 Hour Contact (All Campuses)……. 336-819-2046 or extension 50911 from a GTCC campus telephone  

**Use These Contact Numbers to Request Campus Police Assistance or to Report a Crime**

**OTHER INFORMATION:** Campus Police Officers are here for your protection. GTCC is an educational facility with a wide variety of students. Rules are in place for students, employees and visitors to follow. If you violate those rules, you subject yourself to disciplinary actions. When Campus Police Officers become involved, it is usually because the offense has been elevated to a criminal matter. Should an arrest occur, the individuals involved subject themselves to expulsion from the school, loss of grades and an inability to complete their education at this facility. We are glad you are here but we urge you to act like an adult. You are held accountable for your actions.

GTCC PD is committed to assisting all members of the Guilford Technical Community College community in providing for their own safety and security. Information on drug or alcohol-abuse programs required by section 120(a) through (d) of HEA can be found at GTCC Human Resources and GTCC Counseling Services. GTCC’s Annual Security Report containing information regarding campus security, personal safety and fire safety— including topics such as crime prevention, GTCC Police law enforcement authority, crime-reporting policies, and crime statistics for the most recent three year period. The Annual Security Report is available online at: [https://www.gtcc.edu/_files/campus%20police/ASR-Final.pdf](https://www.gtcc.edu/_files/campus%20police/ASR-Final.pdf). To request a printed copy of the Annual Security Report, contact the GTCC Police Department during regular business hours at 336-819-2046 or extension 50911 from a GTCC campus telephone.

NC General Statutes 90-95 states that it is unlawful for any person:

- To manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance
- To manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a counterfeit controlled substance
- To possess a controlled substance
Student Financial Responsibilities

Tuition
The North Carolina General Assembly sets tuition rates, which are subject to change without notice, for in-state and out-of-state students. Fees are established by the North Carolina General Assembly, the State Board of Community Colleges, and/or the GTCC Board of Trustees. Fees are also subject to change.

Types of Fees
- Campus access/security/parking fee: This fee provides for safety and security of all college properties and provides subsidies to encourage the use of public transportation. It is assessed each term to students registered for a minimum of one credit.
- Lab/shop/clinic fee: This fee provides for needs required in specific courses or programs.
- Physical education fee: This fee is assessed to students enrolled in classes held at a designated facility.
- Student activity fee: This fee covers activities and student publications. It is assessed in fall, spring, and summer terms to students registered for a minimum of one credit.
- Instructional Technology fee: This fee provides for technological needs of students. It is assessed to students registered for a minimum of one credit and to continuing education students.
- Student accident insurance fee: This insurance covers students in the event of an accident while on campus for classes and while taking part in official college sponsored activities.
- Malpractice insurance fee: This insurance is required by certain programs, including Cosmetology, Dental Assisting, Dental Hygiene, Early Childhood Education, Emergency Medical Science, Healthcare Management Technology – Work-Based Learning, Human Services Technology – Work-Based Learning, Medical Assisting, Medical Office Administration – Work-Based Learning, Nursing, Pharmacy Technology, Physical Therapist Assistant, Radiography Technology, and Surgical Technology.

College Tuition and Fees
After you have registered, you must pay your tuition and fees and any other financial obligations. You are also responsible for buying books and supplies for your courses.

The amount of tuition is determined by residency and by the number of credit hours for which the student is enrolled. Some classes require an additional course fee, and there may be other fees as well. More information about tuition and fees can be found at https://www.gtcc.edu/admissions-and-aid/how-to-pay-for-college/cashiers-office.php

Sponsorship
Arrangements for payment by an agency or company must be pre-approved by the college. The student is responsible to ensure that a payment authorization is on file before posted student payment deadlines. If authorizations are not received and no payments are made, students’ classes may be dropped for non-payment. Ultimately the student is responsible for payment of all unpaid charges, including late fees and third party service fees.

For additional info regarding sponsored students, please visit https://www.gtcc.edu/_files/financial-aid/Sponsorships.pdf

Student Account Statements
Account information is available on WebAdvisor under Financial Profile or in Self-Service under Student Finance.

It is very important that you ask questions, examine your schedule carefully, and TAKE RESPONSIBILITY for your schedule!
- Check campus location where your classes are offered - be sure it is where you want to be.
- If you schedule classes on more than one campus - make sure you have time between classes to travel between campuses.
• If you need to DROP and ADD classes during the schedule adjustment period, you must do so in one registration session. That is the only way your new class and your old class (if the number of credit hours is the same) will not result in you owing the additional money.

• Please make sure to ask questions and carefully examine your schedule. Failing to assume responsibility for your schedule could result in unwanted financial penalties.

• Important Notes: Do not sign up for more classes than wanted with the intent to drop some after attending the first day of class.

• Dropping on or after the first day of class will result in a 25% tuition refund penalty.

• Fees are non-refundable for dropping on or after the first day of class.

Payment Types
All payments must be made in U.S. funds. Acceptable payment types include cash, check, money order, American Express, Discover, MasterCard, or Visa. To avoid long lines at the Cashiers Office, students can pay their account balance with a credit or debit card through WebAdvisor or Self-Service. If paying in person, you must present two forms of identification, including at least one unexpired photo ID. Students paying by credit card in person must present the actual credit card to the cashier. If paying by check, the account holder’s name, address, and account number must be pre-printed on the check.

Payment Deadlines
Payment for all tuition and fees is due on or before the published deadlines. Deadlines can be found at https://www.gtcc.edu/admissions-and-aid/how-to-pay-for-college/index.php. Your account balance must be paid by the deadline or you may lose your classes and owe tuition charges. Sponsor authorizations must be received before posted student payment deadlines.

Past Due Accounts
Business Office holds are placed on student accounts with past due balances. Students are not allowed to register if they owe money to the college. GTCC can withhold transcripts, degrees, diplomas, and certificates until students have paid their college bills.

Collections
Delinquent accounts 90 days past due may be turned over to an outside collection agency for collection of the debt. The consequences for a student’s account being turned over to collections are as follows:
• Student will be responsible for repayment of the outstanding debt plus collection costs related to the collection of all delinquent debts owed to the College.
• The North Carolina Department of Revenue may withhold the student’s tax refund and remit it to the College as payment toward their outstanding debt.
• The North Carolina Educational Lottery may withhold lottery winnings and remit it to the College as payment toward their outstanding debt.
• Arrangements for repayment must be made with the outside collection agency, not the College.

Tuition and Fee Refunds
Registration obligates a student to pay tuition and any fees for the class. Non-attendance is not a basis for a refund of tuition.

In compliance with State Board policy, GTCC will refund 100% of tuition and fees if the student officially drops the class before the first day of classes of the semester. GTCC will refund 75% of tuition only if the student officially withdraws from class on or after the first day of classes of the semester and prior to or on the class census date. Fees such as the campus access/security/parking fee, lab/shop/clinic fee, physical education fee, student activity fee, instructional technology fee, student accident insurance fee, and malpractice insurance fee are not refundable after classes start.

No refunds will be issued to students who withdraw from a course after the census date.
PLEASE NOTE: During the schedule adjustment period, if students drop and add a class with the same number of credit hours, both the drop and the add must be completed in the same registration session in order to receive full credit for the dropped class.

For additional info regarding the refund policy, please visit https://www.gtcc.edu/_files/financial-aid/RefundPolicy.pdf.

The college refund policy is established by the NC General Assembly and is subject to change without notice. Please allow four to six weeks after the census date for a refund.

Identification Cards
Guilford Technical Community College is concerned for the safety of our students, employees and visitors to our campuses. Therefore, all students who are consistently present on a GTCC campus are required to have in their possession a GTCC issued ID. Any exemptions must be approved by the appropriate vice president. In order to obtain a student ID you must present two forms of identification; one of which must be a state or federally issued photo ID card.

Procedure:
1. The college defines “consistently” as enrolled for a curriculum semester or enrolled in a Basic Skills course.
2. All applicable individuals must carry their GTCC issued ID cards at all times while on campus. The GTCC ID card is intended to serve as proof of an individual’s status at the college.
3. All non-curriculum students, excluding Basic Skills, must have their personal photo identification in their possession anytime they are on any GTCC campus.
4. Any transfer, alteration, falsification or forgery of an ID card constitutes a violation of this policy and will result in disciplinary action.
5. The GTCC issued ID card is and at all times will remain the property of GTCC. It may be revoked at any time by the college if misused. It must be presented or returned upon request by an appropriate college official.

Student Code of Conduct, Academic Year: 2020-21

Students may not display conduct on Guilford Technical Community College premises or at GTCC sponsored events that adversely affects the college's educational objectives, is illegal, or is contrary to the rules and regulations of the college. Students who display such conduct shall be subject to disciplinary action under the college’s disciplinary policy. Such students have the right to appeal under the policy.

Conduct prohibited by this rule shall be determined by the president, consistent with this definition. Student complaints unrelated to alleged violations of student conduct are addressed in IV-1.1.8 Student Complaints.

Procedure
1. Prohibited conduct is illustrated by the list below:
   a. A pattern of academic dishonesty or a referral of severe academic misconduct from instructional personnel. Note that faculty members will most often be considered the instructional personnel for investigating allegations - especially for situations of cheating, fabrication/falsification, and plagiarism. Other employees such as librarians may be considered instructional personnel in certain situations such as alleged abuse of academic materials in a library setting (refer to IV-1.1.3 Student Academic Integrity policy).
   b. Theft, misuse, damage, or defacement of college property, property of a member of the college community; or property of a campus visitor on college premises or at college functions.
   c. Unauthorized entry upon the property of the college or into a college facility or portion thereof which has been restricted (i.e. placed off limits); unauthorized presence in a college facility after operational hours.
   d. Possessing, manufacturing, using, distributing, selling or being under the influence of alcohol on college premises, at any college-sponsored activity, or in college-owned vehicles.
e. Possessing, manufacturing, using, distributing, selling or being under the influence of any controlled substance in violation of any local, state, or federal law on college premises, at any college-sponsored activity, or in college-owned vehicles. Controlled substances include but are not limited to heroin, marijuana, hallucinogens, cocaine, PCP, methamphetamine, and prescription drugs not prescribed for the individual by a licensed physician. See I-2.1.3 Drug Free Workplace policy.

f. Lewd or indecent conduct, including physical or verbal action; distribution of obscene or libelous material; or behavior which may cause a material and substantial disruption of school activities based on indecent content.

g. Non-sexual assault on any member of the college community, including physical actions which threaten or endanger the health or safety of any such persons. See I-2.1.4 Workplace Anti-violence and Threat Assessment policy.

h. Communicating a non-sexual threat to any member of the college community, including verbal or written statements which threaten or endanger the health or safety of any such persons. See I-2.1.4 Workplace Anti-violence and Threat Assessment policy.

i. Non-sexual harassment to include unsolicited or unwelcome acts, comments, or retaliatory behaviors which interfere or are intended to interfere with a member of the college community’s involvement in an aspect of the college environment. While also constituting violations of the college policy, sex-based harassment assault, and threats are addressed specifically through the college’s Title IX Office via the I-2.1.6 Sexual Harassment and Sexual Violence policy and procedures.

j. Obstruction or disruption of study, teaching, research, administration, disciplinary proceedings, or other college activities including public service functions and other duly authorized events on college premises.

k. Occupation or seizure in any manner of college property, a college facility, or any portion thereof for a use inconsistent with those that are prescribed or authorized.

l. Participating in or conducting an assembly, demonstration, or gathering in a manner which threatens or causes injury to people or property; which interferes with free access to college facilities; or which is harmful, obstructive or disruptive to the educational process of the college. Remaining at the scene of such an assembly after being asked to leave by a college employee will be considered participation.

m. Possession of a weapon on-campus in violation of the law. Weapons, whether carried openly or concealed, are not permitted on GTCC property. A “weapon” includes firearms, explosives, BB guns, stun guns, air rifles or pistols, and certain types of knives or other sharp instruments per N.C.G.S. § 14-269.2. However, the General Assembly has enacted a limited exception to the general prohibition for law enforcement officers (S.L. 2013-369, sec. 2; HB 937; N.C.G.S. § 14-269.2(k)). A firearm is permissible on a community college campus only under the following limited circumstances:

1) The firearm is a handgun; AND

2) The individual has a valid concealed handgun permit or is exempt from the law requiring a permit; AND

3) The handgun remains in either: a closed compartment or container within the individual with the permit’s locked vehicle; or a locked container securely affixed to the individual with the permit’s locked vehicle; AND

4) The vehicle is only unlocked when the individual with the permit is entering or exiting the vehicle; AND

5) The firearm remains in the closed compartment at all times.

n. Issuing a bomb threat.

o. Setting off a fire alarm or using or tampering with any fire safety equipment, except with reasonable belief in the need for such alarm or equipment.

p. Gambling.

q. Smoking, vaping, or using other forms of tobacco products on any GTCC campus or center. See I.1.1.3 Smoking and Tobacco Use policy.

r. Violation of college regulations regarding the operation and parking of motor vehicles.

s. Forgery, alteration, or misuse of college documents, records, or instruments of identification. Providing false information to the college via such means.

t. Failure to comply with the instructions or directions of college employees acting in the performance of their duties.

u. Violation of the terms of disciplinary probation during the period of probation.

v. Violation of local, state, or federal criminal law on college premises.

w. Behavior which conflicts with the safety of others or which conflicts with safety rules for the area in a
class, lab, shop, or other educational setting.

x. Misuse of college computer time or equipment including, but not limited to, unauthorized entry into a file; unauthorized transfer of a file; unauthorized use of another's identification or password; use of computing facilities to interfere with another student, college employee or administrator; use of computing facilities to send obscene or abusive messages; and use of computing facilities to interfere with normal operation of the college.

y. Serving as an accessory to a violation or aiding another individual in the commission of an offense as defined by this policy.

2. The college maintains a Student Conduct and Community Standards Office (the Community Standards Office) at the Jamestown Campus. This office shall be responsible for receiving allegations of Student Code of Conduct violations; for assigning primary investigators to all such cases; for ensuring that investigations are conducted in compliance with this policy; and for coordinating equivalent support resources at the community campuses and ancillary locations. The director of Student Conduct and Community Standards provides oversight and assistance to other campus officers and will serve as a primary investigator when needed.

3. Emergency Procedures and Interim Sanctions
   a. When behavior presents an immediate threat to health and safety or disrupts the function and good order of the college procedures such as the I-2.1.4 Workplace Anti-violence and Threat Assessment policy. Campus Police protocols will take precedence over this Student Code of Conduct. In such situations, college employees are encouraged to alert Campus Police by dialing extension 50911 or other local police by dialing 911. If the initial call is to 911 then the employee is asked to also notify Campus Police at the earliest possible opportunity.
   b. Once police have been alerted to the situation college employees are welcome to notify the Community Standards Office of the situation. Campus Police officers will also provide notice to the Community Standards Office once the incident has been contained so that a Student Code of Conduct investigation can be initiated.
   c. In conjunction with the Chief of Campus Police and the vice president of Student Services, the director of Student Conduct and Community Standards will determine at the start of an investigation whether interim sanctions will be applied to students during the period of that investigation. Interim sanctions include interim suspension, mutual no contact orders, and restrictions on student movement or access.
   d. Interim sanctions are intended solely to prevent further harm from occurring while a situation is investigated. They are not meant to be punitive or permanent – interim sanctions will be replaced at the conclusion of an investigation with permanent sanctions when students are found responsible for a policy violation. When students are found not responsible for a policy violation any interim sanctions applied to them will cease. The director is charged with considering how likely a finding of responsibility is based on initial evidence when considering whether to apply interim sanctions; the college will have a reasonable responsibility to help students to make up for lost educational opportunities as the result of interim sanctions when a formal investigation finds them not responsible for a policy violation.

4. Standard Procedures
   a. Any member of the college community can report alleged misconduct to the Community Standards Office. College employees with access to MYGTCC can make an official report using the “Report a Non-academic Student Conduct Concern” link in the Applications section. This same report is linked on the Student Life page of the college’s public website for students and community members to access. Urgent matters that threaten health, safety, or normal college operation should not be reported in this manner but should instead be reported to Campus Police using the emergency procedure outlines above. Within two (2) instructional weekdays of receiving a report the Community Standards Office will review it and determine whether it needs to be referred to a different office, logged as an information report, or turned into an open case for investigation. Cases will be opened and assigned an investigator within the two (2) instructional weekday time period.
   b. A primary case investigator will seek to conduct the full investigation within ten (10) instructional weekdays from the date the case was created. Extensions to this timeframe may be approved by the vice president of Student Services due to mitigating factors such as a delayed ability to obtain evidence. The primary investigator will take the following steps to complete the investigation:
1) Notify the respondent(s) in writing of a scheduled meeting in which they will be able to respond to the allegations. *A respondent has a reasonable expectation to receive at least 24 hours’ notice of a scheduled meeting. If a student is receiving interim sanctions under the emergency procedures section of this policy the notification letter will explain this.*

2) Meet with the respondent(s) to hear their version of events, to get their response to any evidence received, and to find out from them their desired investigative outcome.

3) Notify and meet with any other named parties (complainants, witnesses, instructors) to receive their statements and any additional evidence they may have.

4) Pursue additional physical evidence that may reasonably be expected to exist.

5) Determine whether a preponderance of evidence exists to find the respondent(s) responsible for any policy violations.

6) When a preponderance of evidence does exist, determine what combination of sanctions from Section 5 of this policy most reasonable addresses the illicit behavior without being too punitive.

7) Notify the respondents(s) in writing of the outcomes and of their appeal options should they disagree.

Participants who receive their notification letter but fail to attend their meeting may be found responsible for failure to comply with directions under the Student Code. The primary instigator shall have discretion to decide whether to pursue this charge and whether to move forward with an investigation without a participant’s input; respondents who decline to participate in an investigation may be understood to not be contesting the allegations.

5. Students found responsible for a violation of the Student Code of Conduct can receive any combination of the following formal sanctions from the primary investigator:
   a. A written reprimand
   b. Disciplinary probation
   c. Suspension
   d. Expulsion
   e. Loss of privileges
   f. No contact order(s)
   g. Financial restitution
   h. Letter of apology
   i. Community service
   j. Mandated professional referral
   k. Personal reflection essay
   l. Completion of an educational experience
   m. Creation of an educational resource

6. Initial Appeal Procedure
   A student who disagrees with the decision of the primary investigator may request a hearing before the student conduct hearing committee. This request must be submitted in writing to the director of Student Conduct and Community Standards within five (5) instructional weekdays of the date of the investigator’s outcome letter to the student. Students who believe they will need more time in which to appeal, or who do not open their notification letters until after the deadline, may request an extension from the vice president of Student Services.

Upon receipt of an appeal within the specified timeframe the director shall refer the matter to the committee along with the evidence packet from the initial investigation.

Membership of the Student Conduct Hearing Committee shall consist of:
   a. Two (2) voting faculty members appointed by the president.
   b. One (1) voting professional or classified staff members approved by the president.
   c. Three (3) voting student members approved by the Student Government Association (SGA)
   d. One (1) non-voting director, dean, associate vice president, or vice president to serve as an ex-officio chair.

Committee members will serve for at least a one-year appointments beginning with each fall term, with replacements appointed by the appropriate approving bodies. In cases in which the full contingent of committee members cannot be secured or does not attend the schedule hearing, the proceedings may move forward with at
least one faculty member, one staff member, and two students, plus the chairperson with the agreement of the student appellant.

The Student Conduct Hearing Committee must meet within ten (10) business days of receipt of a request for a hearing (except near the end of summer term when additional time may be needed).

At least five (5) business days prior to the date set for the hearing, the director of Student Conduct and Community Standards shall send an email to the appellant’s college email address providing the student the following information:

a. A restatement of the charge(s).

b. The identity of the person(s) bringing the charge(s). In cases involving a minor complainant or other extenuating circumstances the college may become the stated entity bringing the charges(s) on the complainant’s behalf to protect confidentiality.

c. The date, time, and location of the hearing.

d. A list of witnesses the college will call. The primary investigator will usually be the main witness for the college.

e. The names and titles of the hearing committee members.

f. A list of the student’s basic procedural rights:
   1) The right to counsel. The role of the person acting as counsel is solely to advise the student. The counsel shall not address the committee.
   2) The right to produce witnesses on one’s behalf. (List of witnesses much be provided to the director of Student Conduct and Community Standards no less than two full working days prior to the hearing. Any witnesses not listed will not be allowed to testify in the absence of a showing of good cause for delay in identification).
   3) The right to request, in writing, that the director of Student Conduct and Community Standards disqualify any member of the committee for prejudice or bias. This request must set forth reasons. A request for disqualification, if made, must be submitted at least three (3) business days prior to the hearing. If such disqualification occurs, the appropriate nominating body shall appoint a replacement.
   4) The right to present evidence.
   5) The right to hear the college’s witnesses and to respond to the committee regarding their statements.
   6) The right to testify or to refuse to testify.
   7) The right to appeal the decision of the committee to the vice president of Student Services in writing within five (5) business days of the date of the committee chairperson’s outcome letter to the appellant.

g. A copy of the hearing rules:
   1) Refusal of a student to read email will not delay or alter disciplinary actions or procedures.
   2) The college has the right to limit the number of witnesses to be called during a hearing for expediency.
   3) On written request of the student, the hearing may be held prior to the expiration of the five-day (5) notification period, if the director of Student Conduct and Community Standards concurs with this change.
   4) Hearings shall be confidential and shall be closed to all persons besides the committee members; the student appellant; counsels; and witnesses who shall give testimony singularly and who shall only be in the hearing room during the timer that they are giving testimony.
   5) The hearing will be recorded. The audio recording of the hearing will become the property of the college and will be maintained in the Student Services Office. The vice president of Student Services will determine appropriate access to audio recordings.
   6) The committee shall have the authority to render written advisory opinions concerning the meaning and application of this code.

Upon completion of a hearing, the committee shall meet in executive session to determine concurrence or non-concurrence with the decision of the primary investigator and to determine appropriate sanction(s), which are not limited to those imposed or recommended by the primary investigator. Deliberations of the committee will not be recorded.

Decisions of the committee shall be made by majority vote. Any tie votes shall be interpreted as not in favor of the proposed actions. Once made, committee decisions will be announced and recorded. Within
two (2) working days after the decision of the committee, the committee chair shall send an email to the student appellant’s college email address providing the student with the committee's decision.

A student appellant shall have reasonable access to view the evidence packet from the initial investigation between the time the appeal is requested and the date the hearing is conducted. Reasonable access does not mean that the college will provide a physical or digital copy of the evidence packet to the student, but rather than the student will be allowed to schedule time to view a physical copy of the evidence packet in a supervised environment. The purpose will be to help the student appellant to prepare the most effective appeal possible.

7. Final Appeal to the vice president of Student Services:
   a. A Student who disagrees with the decision of the Student Conduct Hearing Committee may appeal in writing to the vice president of Student Services within five (5) business days of the date of the chairperson’s notification letter. The only appropriate grounds for such an appeal are: (1) the severity of the penalty; or (2) an alleged violation of the college's procedures in the conduct of the hearing or investigation.
   b. The vice president of Student Services shall review the findings and the proceedings of the committee. The vice president shall have the discretion to hear from the student, the members of the committee, or any other employee who may provide information on the facts, before ruling on an appeal. The vice president’s ruling may uphold, modify, or overturn the decision of the committee. Upon reaching a decision, the vice president will inform the student in writing of the decision. This should take place within ten (10) business days of the vice president’s receipt of the appeal.
   c. The decision of the vice president shall be final.

**Bystander Intervention - We Need Your Assistance**

We encourage you to help to create an ideal learning environment for all GTCC students. You can do so by acting as an Active Bystander. An Active Bystander is diligent in their awareness of signs and incidents of sexual violence or sexual harassment that occur in their presence. In such cases an Active Bystander recognizes and properly interprets a situation as an emergency when it occurs. As an Active Bystander, you understand your responsibility to act in such instances.

Educate yourself on what to do.

- Be aware of signs and incidents that may occur in your presence
- Recognize and interpret when a situation qualifies as an emergency
- Feel responsible to act
- Intervene safely
- Report what you know

**How to Intervene Safely**

- Tell another person
- Ask a person you are worried about if he/she is okay
- Distract or redirect individuals in unsafe situations
- Ask the person if he/she wants to leave
- Call the police (9-1-1)

**STUDENT COMPLAINTS**

**Grade Related Complaints**

GTCC is dedicated to resolving student grievances in a timely, fair, and amicable manner. A student whose complaint is grade related should following the procedures and utilize the form provided at:

https://www.gtcc.edu/_files/academics/StudentComplaintformgradeappeal.pdf

**General Guidelines for Complaints that are Not Grade Related**

The student should first informally discuss the matter in question with the College employee most directly involved unless the issue is a claim of discriminatory or sexual harassment. In that case, the student may appeal directly to the employee’s immediate supervisor/administrator. If the student is unable to resolve the matter in question through discussion with the College employee directly involved, the student must file a formal, written appeal form for non-grade related grievances with the employee’s immediate supervisor/administrator:

https://www.gtcc.edu/_files/academics/studentComplaintformnongraderelatedappeal.pdf

If the matter is not resolved, the appeal may be processed through the employee’s supervisor/administrator in succession until a resolution is obtained or until the appeal reaches the appropriate Vice President. The decision of the Vice President will be final.
STUDENT RIGHTS

Student Rights - Right to Know
In 1991, Congress passed legislation requiring colleges to inform students and prospective students of student graduation and transfer-out rates. The legislation mandates that the report include all full-time students who enroll in the summer or fall term, which have never been enrolled in any post-secondary institution before enrolling in the reporting institution. Students considered in the report must also enroll with the intent to earn a degree, diploma, or certificate. The Act further states that students are to be allowed 150 percent of the normal length of the program to graduate. Students who enroll in another institution of higher learning are counted as transfers. GTCC, in accordance with legislation, submits the following report on the Fall 2015 class (cohort).

Graduation Rate – 150% of normal time 20%
Transfer-out Rate – 150% of normal time 24%

Student Rights - Privacy
Release of Information
What is FERPA?
The Family Educational Rights and Privacy Act of 1974 is federal legislation regarding the privacy of student records. It governs the disclosure of education records maintained by institutions (including GTCC) and access to those records.

Rights provided to students by FERPA
- Inspect and review their education records
- Have some control over disclosure of information from their education records
- Seek to amend incorrect education records

What is an education record?
All records that directly relate to a student and are maintained by the college are considered education records. These records can take numerous forms (paper records, electronic files, etc.) – they do not only refer to records stored in the Student Records Office or in Colleague.

What type of information may be shared?
Without the student’s written consent, only directory information may be released. Directory information is information not generally considered harmful or an invasion of privacy if disclosed. In compliance with the Family Education Rights and Privacy Act of 1974 (FERPA), also known as the Buckley Amendment, GTCC defines directory information as:
- Student’s name
- Major field of study
- Enrollment status
- Participation in officially recognized activities and sports
- Weight and height of athletes
- Dates of attendance at the College
- College degree completion dates and degrees earned
- Awards earned
- Most recent previous educational agency or institution attended by the student

While FERPA includes date and place of birth, the College reserves the right to omit this from directory information to protect students from possible discrimination.
Disclosure of information other than directory information requires prior written consent of the student. The consent must specify records that may be disclosed, state purpose of disclosure, and identify party or class of parties to whom disclosure may be made.

FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are “eligible students.” For more details concerning FERPA, please visit the website of the US Department of Education at https://www.ed.gov/category/keyword/ferpa.

Disclosure Exceptions
The 11 exceptions under which prior consent of the student is not required to disclose information are:
- To school officials (persons within the agency or institution determined to have legitimate educational interest)
- To schools in which a student seeks or intends to enroll
- To federal, state, and local authorities involving an audit or evaluation of compliance with education programs
- To state and local authorities pursuant to a state law adopted before November 1974 requiring the disclosure
- To organizations conducting studies for or on behalf of educational institutions
- To accrediting organizations
- To comply with a judicial order or subpoena. The college must make a reasonable effort to notify student in advance of compliance. Not all subpoenas are lawfully issued.
- Health or safety emergency
- Directory information
- To the student
- Results of disciplinary hearing to an alleged victim of a crime of violence

Inquiries regarding the privacy of student records should be referred to the Registrar.

Student Rights – Student Records
A student who believes that information in his/her record is inaccurate or misleading or violates his/her privacy or other rights may request in writing to the Registrar an amendment of his/her record.

Procedure:
The request must specifically note the reason(s) amendment of the record(s) is needed along with appropriate justification and/or documentation. The Registrar will investigate the claim made in the request and render a written response within ten (10) days of the receipt of the request. The following action(s) may be taken by the Registrar:
- If the decision is to amend the record in accordance with the student’s request, the Registrar will make the amendment.
- If the decision is not to amend, the Registrar will inform the student of the decision and of his/her right to appeal to appropriate Vice-President.

Student Rights - Student Life
- Students have the right to express their views on issues of college policy on matters of interest to the student body.
- Students have the right to a clearly defined means of participating in the formulation of college policy affecting academic and student affairs issues.
- Students have the right to representation on committees that involve student life.
- Students have the right to be represented by Student Government Association officers in accordance with the college-approved procedures set forth in the SGA Constitution and the SGA election code.
- Students have the right to sponsor and produce publications free from undue censorship provided proper journalism techniques and general college publication guidelines are followed.
- Students have the right to organize and join clubs and associations and to plan and participate in activities sponsored by those college clubs and associations.
- Students have the right to invite non-classroom guest speakers to the college according to the guidelines of the Non-Classroom Guest Speakers Policy/Procedure.
Procedure
1. Outside speakers are not permitted to speak on campus unless the speaker has been invited by a member of the faculty, staff, or approved student club/organization and as provided for under these guidelines.

Athletics
The GTCC Athletics Department fully embraces and supports the purpose of Guilford Technical Community College. As a member of the NJCAA (National Junior College Athletic Association), our program is committed to providing a comprehensive and well-rounded athletic experience in support of our educational mission. Our women’s basketball, women’s volleyball, men’s basketball, and baseball programs promote academic, physical, social, psychological, and total development of the student-athlete.

Emphasis is placed on the student aspect of the student-athlete at GTCC, and our program aims to enrich the college experience for all of our students. Many of our athletes are recruited by four-year universities. It is a priority of our coaches to do everything that we can to help these athletes reach that goal. The GTCC athletics program is intended to inspire student-athletes toward leadership roles on campus and in their communities.
